**Municipal council also concerned**

• from REGION on page A3

The motion carried 18-1, with Elgar being the only one opposed.

Milton council discussion

The CH proposed policy was also on the agenda at town council last week when Ward 3 Councillor Jan Mowbray put forward a motion calling for council to request CH ensure its new policy doesn't impact agricultural operations.

The notion that the regulation could affect the farming community was raised by residents at a recent Town committee meeting.

Ward 1 Councillor Brian Penman, who's also the chair of the CH board, explained there's no attempt on the conservation authority's part to take away farmers' rights to things like plowing, harvesting, planting, etc.

Council supported Mowbray's motion.
