**BARGAIN HUNTERS:** Lori Popp and sons Dylan, 7 and Elijah, 9, found there was as much good reading material under the table as on it at the 33rd annual Canadian Federation of University Women's used book sale, held recently at Milton Mall.

## Youths to go hungry for 30 hours

Each year, five million people die of water-related diseases around the world. Each day in sub-Saharan Africa, 8,000 people die of AIDS.

They're startling statistics that a number of Milton youths are hoping to change through their participation in World Vision's 30 Hour Famine.

Today and tomorrow, teens from E.C. Drury Secondary School, St. Paul's United Church, the Youth Leadership Training Program, the Salvation Army and New Life Church will refrain from eating for 30 hours in order to collect pledges for World Vision's humanitarian work.

Drinking just water and juice, participants also aim to increase awareness about conditions in developing countries.

World Vision works in more than 90 countries around the world, including Canada, to ensure children have necessities like food, clean water, shelter, education and health care.
