Holiday Waste Notice

Please note due to the Good Friday Holiday, Friday waste collection will take place on Saturday, April 15. Easter Monday does not affect the waste collection schedule. The Halton Waste Management Site will be closed on Friday April 14.

Urban Yard Waste Collection Begins

From April 5 to December 6, Yard Waste materials will be collected **every other week** on the same day as your Blue Box. Use open, reusable, rigid containers or paper yard waste bags. Please do not use cardboard boxes, Blue Boxes or plastic bags for collection. Brush must be tied in bundles no larger than 1.2 m (4 ft) long by 0.6 m (2 ft) wide, with branches a maximum of 7.5 cm (3 inches) in diameter. Grass clippings will not be collected. Please grasscycle by leaving grass clippings on your lawn.

Bags, containers and bundles set out for collection must not be heavier than 23 kg (50 lbs).

Tip: Use open, rigid, reusable containers with a yard waste sticker placed on it and drill holes in the bottom of your container for drainage. Use paper yard waste bags to handle the overflow during high volume times.

Yard waste labels are available free of charge from Halton Region.

Well Water Open House Information Sessions

Brent Marshall
Brent Marshall
CAO, Halton Region

Halton Region is committed to providing residents with high quality drinking water. However, not all tap water is under the Region's control. Some residents in rural areas of Halton are not on the municipal water supply, but instead draw their water from private wells.

Even though the Region does not oversee private wells, our Health Department works with private well owners so that they can ensure that their drinking water is clean and safe. The Health Department is hosting Well Water Open Houses on April 20 at Limehouse Memorial Hall and on April 27 at Nassagaweya Community Centre. Drop in between 3 and 9 p.m. to speak to a Public Health Inspector about how to test your water and properly maintain your well.
