

Man threatened in parking lot

A 50-year-old Jarvis man faces charges of dangerous driving and uttering threats in connection with an incident at the Toronto Auto Auction April 4.

According to police, the driver of a 2004 GMC truck was speeding in the wrong direction of the auction's parking area and aimed the vehicle at an employee who was conducting traffic.

The crew member moved out of the way, but was struck by the driver's side rearview mirror and sustained minor injuries to his
