Take Advantage: By Ordering your Bulk Bag now

Spring weather is so unpredictable. And since there is no way to "order" a perfect day for yard work, you need to be ready when the weather is. It is on those perfect days when the sun is shining that you get the urge to be in your garden to do spring clean-up and flower-bed preparation. By buying your Black Garden soil early you'll be able to take advantage of the good weather as it comes. The Giant Bag will store conveniently on a corner of your driveway, keeping your garden soil dry and ready for planting. No hurry to use it up. It is ready when you are.

It is easy to order. Simply place your order over the phone and arrange a delivery date that works for you. You don't need to be home on your delivery date. Mark an "X" on your driveway where you want the Bulk Bag placed. You can pay by Visa or MasterCard when you place your order, or if you prefer, leave a cheque in the mailbox.
