COMMUNITY

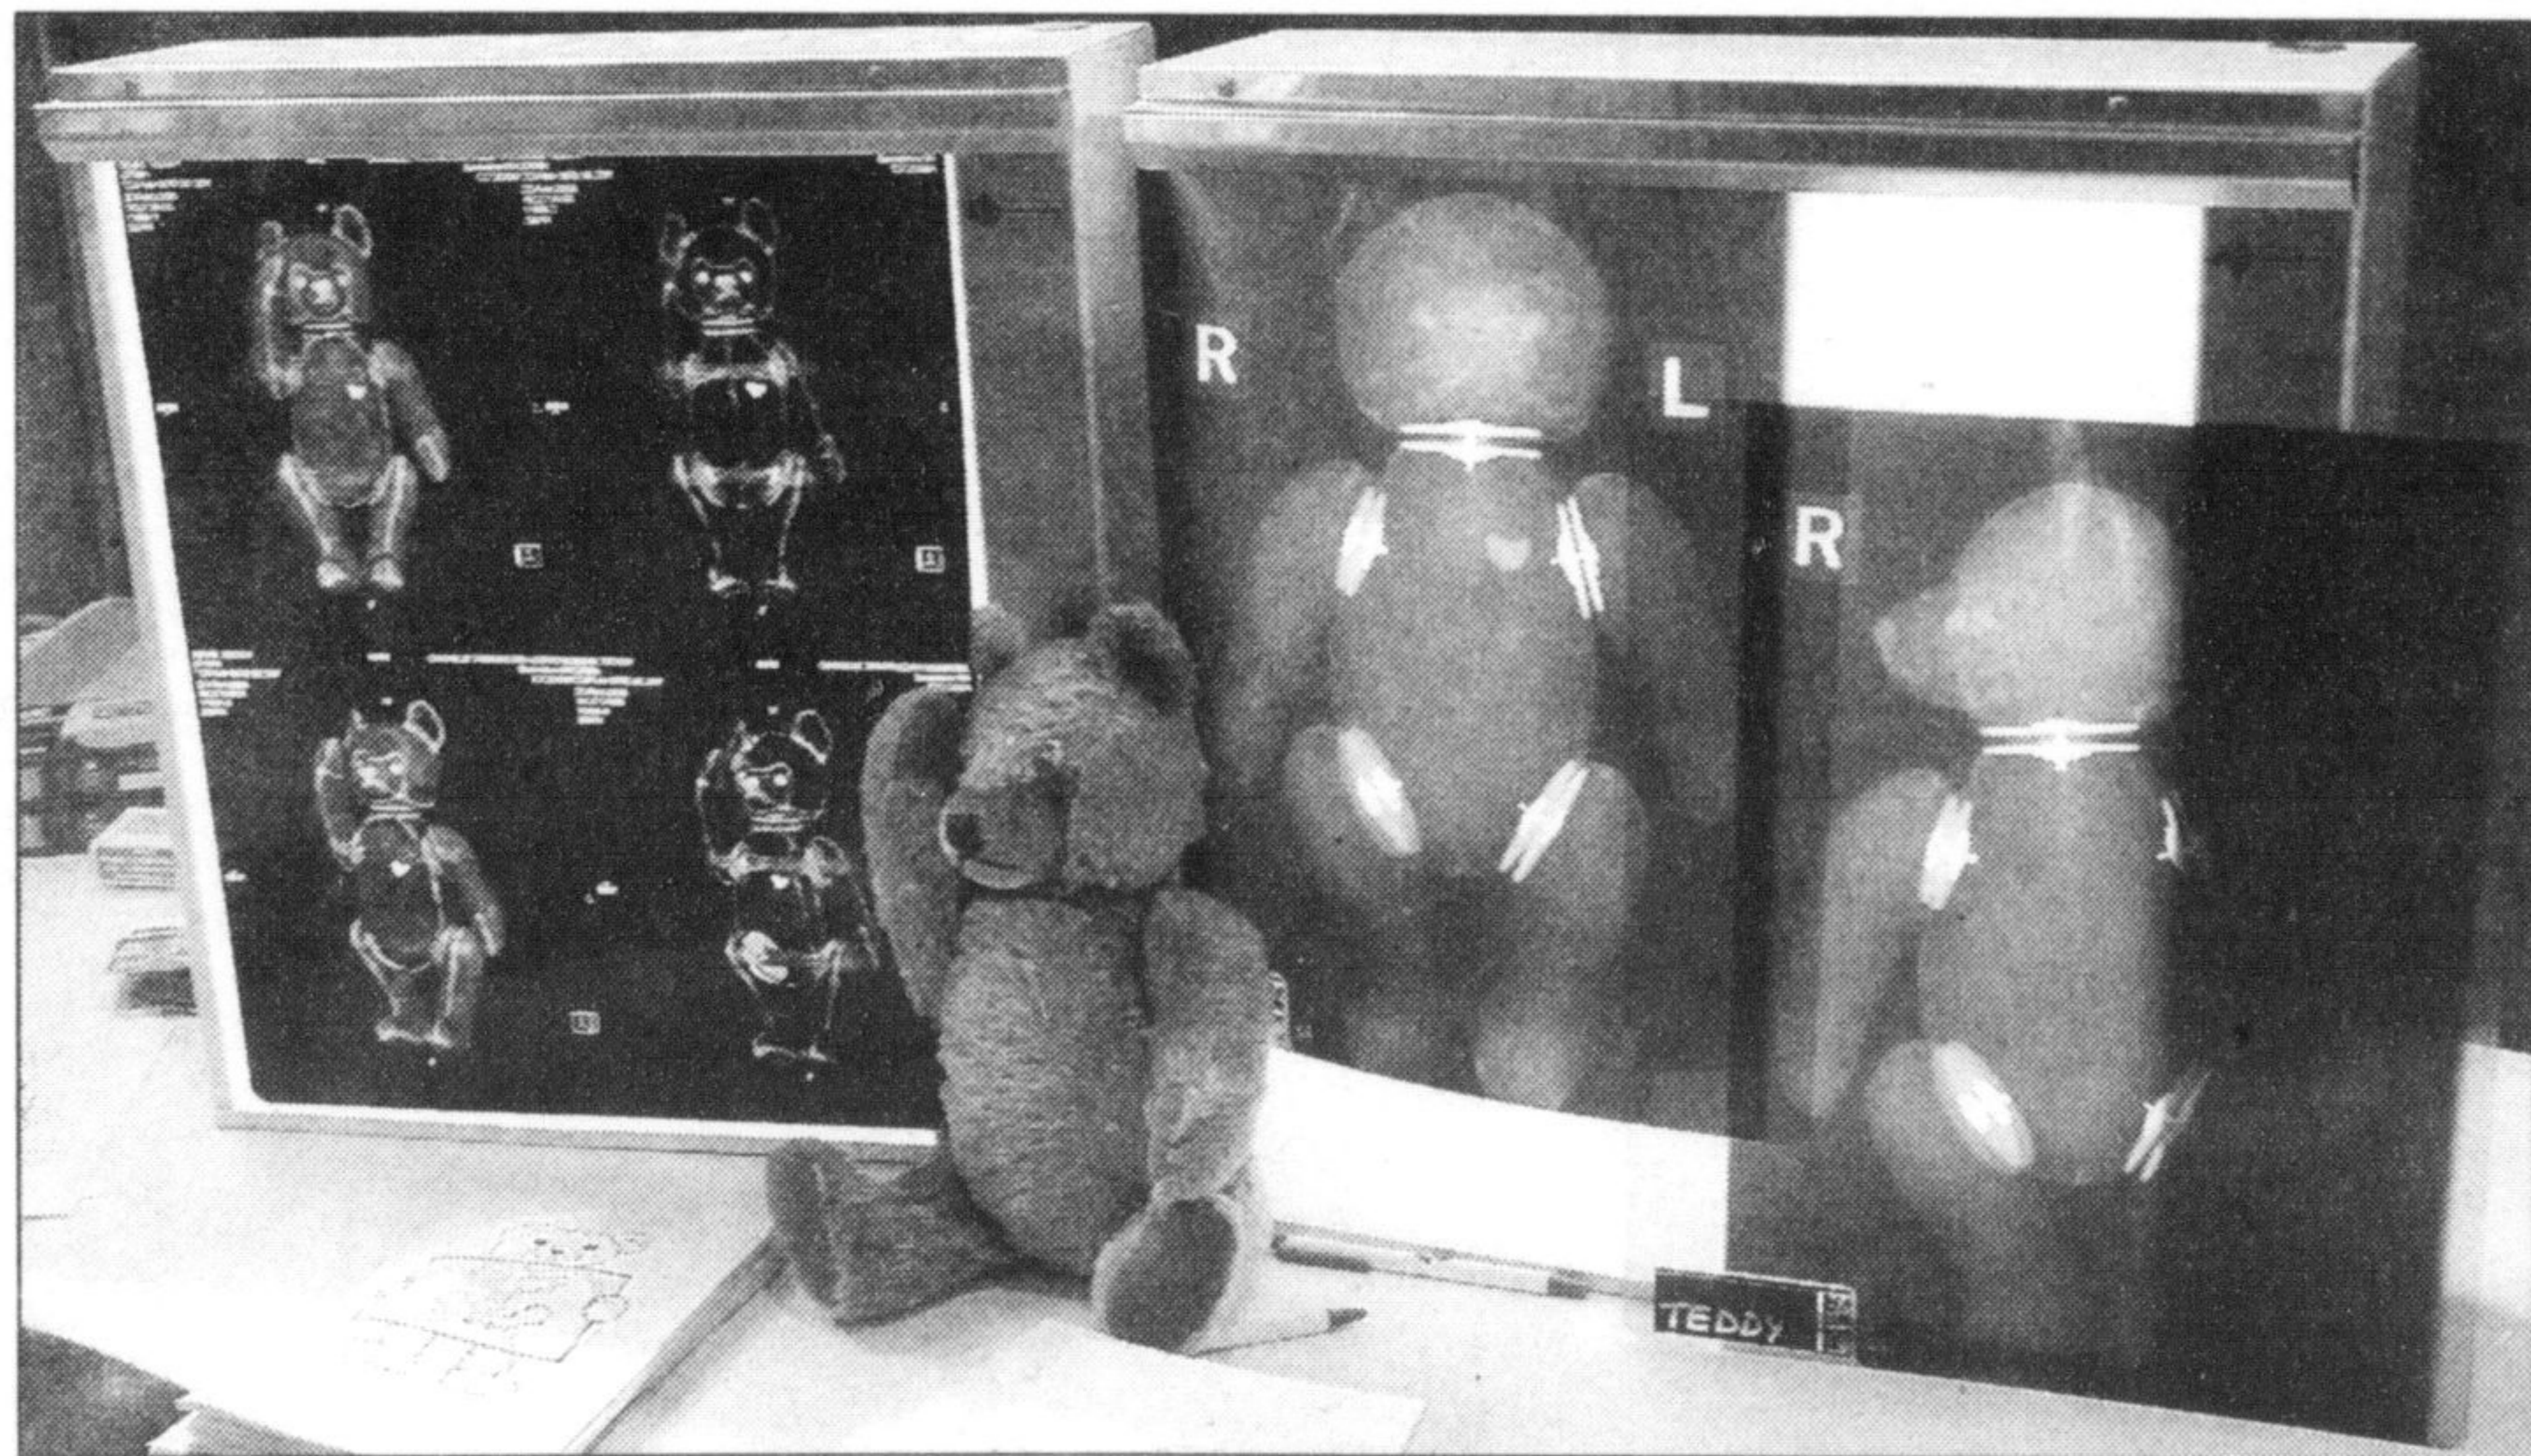

Teddy bear hospital

Milton's annual Wellness Fair, held recently at Milton Mall, featured community booths and local health groups — including Halton Healthcare Services' Teddy Bear Hospital. At left, three-year-old Emily Lamouche prepares to use a stethoscope to listen to her doll Lily's heartbeat as Halton Healthcare Services' Andrea Hujwan looks on. At right, eight-year-old Tabatha Alder — dressed in surgical garb — gives her teddy bear Mimo a mock injection. Bottom left, a teddy bear sits in front of x-rays of itself at the Teddy Bear Hospital. Bottom right, Riley Barrow, 6, shows her doll Flower — bandaged with a sling for her broken arm. The event, as usual, drew a big crowd.
