 People who take first aid training reduce their personal injuries by up to 30%.

GRAHAM PAINE / CANADIAN CHAMPION

WALKING IN THE RAIN: Above, umbrellas and raincoats were the order of the day for the Loblaws Super Cities Walk for MS at the Milton Leisure Centre, as roughly 400 north Halton participants braved the unfavourable elements Sunday morning in both 5 and 10-km routes to raise funds for multiple sclerosis. Top left, a group of young runners are just a blur as they try to beat the raindrops while making their way along Woodward Avenue. At right, Trevor Riebot carries his four-year-old son Travis on his shoulders as the two take part in the 5-km walk. Approximately \$92,000 was raised from the north Halton MS walk.

500 kids expected at derby

It's that time of the year again. All over town, youngsters will be getting out their fishing rods in anticipation of the Mill Pond Kids' Fishing Derby this Saturday.

From 7 a.m. until 2 p.m. at the Mill Pond, kids 12 years old and younger will be fishing for rainbow trout thanks to the Halton Sportsmen's Association, which stocks the pond and hosts the event each year.

More than 500 kids and their parents are expected to participate this year.

The free event will include refreshments, with food coupons handed out to kids as they register at the booth before they begin fishing. Adults are welcome to a hotdog or a hamburger on a donation basis.

A couple of hundred prizes will be handed out during the day, including 10 grand prizes.

Although some kids and parents choose to throw their fish back into the water, the fish are suitable for eating.

Toilet and hand-washing facilities will be available.
