### Halton Physician Appreciation Week

Halton Physician Appreciation Week runs from May 1-5, 2006. Now in its fourth year, the week serves as an opportunity for us to say 'thank you' to the doctors who practise here and to let them know how much we value and appreciate the care they provide which is so important to the health and well-being of our community. Since it began in 2002, Halton's Physician Recruitment Initiative has resulted in over 60 new family doctors practising in Halton; however, we still require more than 30 new family physicians to meet the needs of our residents. If you would like to find out more about Halton Region's Physician Recruitment Program, or Halton Physician Appreciation week, contact Angela Sugden-Praysner, Physician Recruitment Coordinator, 905-825-6000, ext. 7929.
