

Riders sought to take part in June 10 Big Bike for Stroke fundraiser

If you can ride your bicycle like a pro, how about trying a bike with 29 seats?

The Heart and Stroke Foundation is encouraging residents to have fun finding out by participating in the annual Big Bike

for Stroke fundraiser June 10.

One more team — and team captain — is still being sought for the Milton ride. The captains are responsible for recruiting 28 fellow riders (14 and older), enlisting a co-cap-

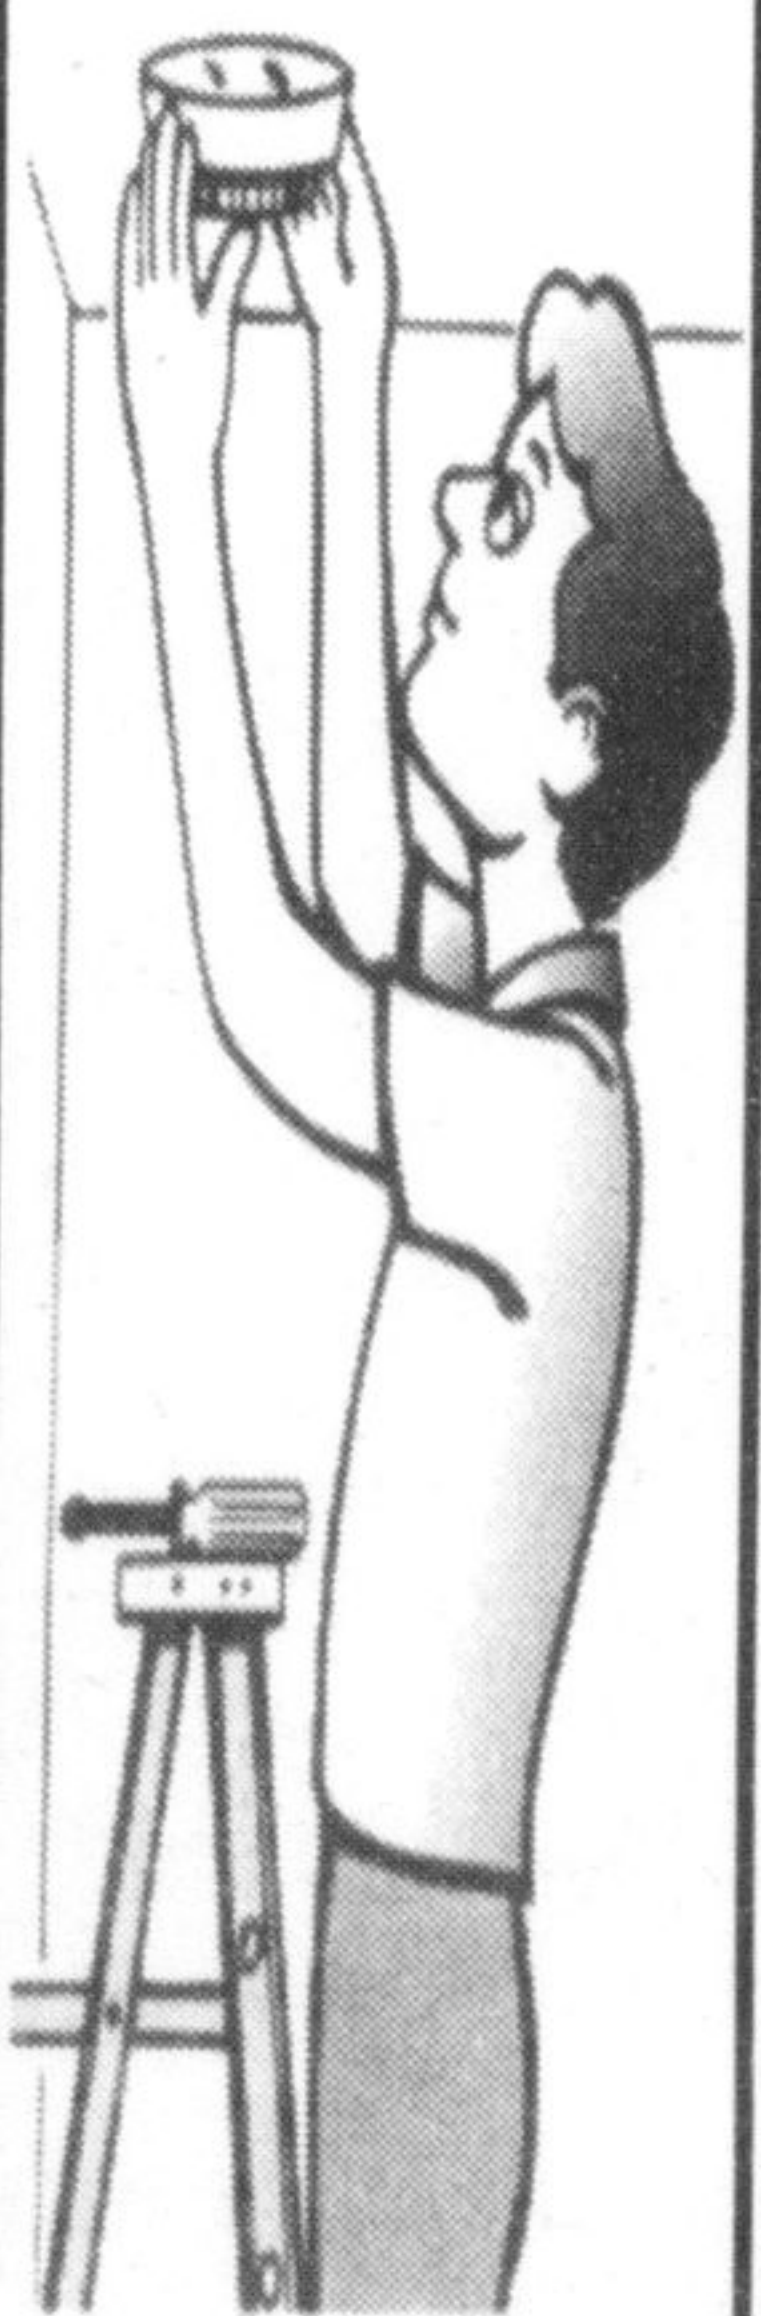

tain, thinking of a team name and leading the team in its efforts.

The day of the event, the Big Bike will ride into town and teams will hop on and pedal it along a designated route for about 15

minutes. Each team member is asked to raise at least \$50 in sponsors.

Anyone interested in being a team captain can call Robin Gooch at (905) 634-7732 or e-mail her at rgooch@hsf.on.ca.

Install Smoke Alarms It's The Law.

The Ontario Fire Code requires that every home have working smoke alarms. Install them in your home or cottage today!
