

Driving refresher course for seniors

Driving is something that requires constant brushing up and isn't a skill that should be taken for granted.

With that in mind, a new and creative education seminar for mature drivers is coming Wednesday to the Milton Seniors' Activity Centre, 500 Childs Dr., at 12:30 p.m.

Drive Wise is a free refresher course that helps seniors preserve their right to drive.

The seminar is being hosted by the OPP, Central Park Lodges, The McLennan Group and CARP, Canada's Association for the Fifty-Plus.

"OPP officers are confident that seniors attending Drive Wise will leave with valuable tips and tools," said OPP Sgt. Bob Paterson.

"If all of us, regardless of age, become better informed, then we will be better drivers. If you're a more comfortable and better driver, it will mean a lot less anxiety and I think lives will be saved."

Drive Wise teaches driving strategies to help prevent the most likely causes of collisions faced by older Canadians on the road.

Studies show that although seniors aren't involved in any more collisions than other age groups on a per capita basis, they're at a greater risk of serious injury or death once involved in a collision.
