

**ON THE RUN:** At left, W.I. Dick Middle School students Nicole Brough and Lindsay Sinclair take shelter under an umbrella while cheering on one of their school's male runners during Tuesday's Halton senior relay meet at Nelson Stadium in Burlington. Above inset, Tara Galloway hands off to W.I. Dick teammate Megan Waiv in girls relay action. The Wildcats enjoyed a couple of top-five finishes on the day, including a second-place showing for the intermediate boys — who completed the 4x100m race in 53.93 seconds. The junior boys finished the 4x400m event in 4:54.18 for fifth-place honours. Meanwhile, Chris Hadfield School's senior boys were fifth in the 4x100m race with a time of 54.22s.
