## President's Message

Leslie McLaren

Have you taken the time to enjoy one of the reasons why Milton has become one of the most sought after communities in which to live? Be a tourist in your own backyard! Take the time to explore the beautiful winding roads along the escarpment, pick your own strawberries, sail at Kelso Lake, book a camping trip with your family and visit the downtown Milton Farmers' Market!

We are very pleased that the market is off to such a great start for the year. Visitors to market and the market vendors are excited about the new season and it has again become THE place to be in Milton on Saturday morning. It's such a great place to see your friends and

neighbours and to shop for all the farm-fresh products that are so beautifully displayed by our market vendors. Indeed, our unique Farmers' Market is one of the highlights of life in Milton.

Escarpment Country™ is a marketing alliance of partners who rely on tourists, visitors, and residents to make their tourism-based businesses prosper. You may have noticed our blue tourism-oriented directional signs as you travel around Milton and its neighboring areas, and the area profile signs on Highway 401. These signs allow tourists and residents to be aware of some of the many events, attractions and conservation areas that Escarpment Country™ has to offer. By supporting our local tourism partners, you are supporting your community, and having fun at the same time! The Milton Chamber of Commerce publishes an annual Visitors' Guide which is available at all information kiosks throughout Ontario. Feel free to come and pick one up at the Chamber office. For more information, please contact the Milton Chamber of Commerce or visit [www.escarpmentcountry.ca](http://www.escarpmentcountry.ca).
