E.C. DRURY HIGH SCHOOL

A WEEK AT DRURY
A heat roamed the halls,
The classes and the Locker Bay.
Some students still played fooseball,
And some worked on their essays.

A week ago today,
Students saw the "Lord of the Rings".
It was a wonderful, though hot, day
And they did lots of fun things.

Also last week, the girls' rugby team
Had a special treat.
The Mandarin's food was a dream,
And the awards they won couldn't
be beat.

And on Thursday, against Loyola,
the bantam boys' rugby did play,
A great team spirit and effort they did
display.

Last Wednesday we celebrated
our grads,
With a grad poll ceremony and awards.
Lots of awards where up for grabs,
And of food, there were hoards.

On the first of June,
The Coffee House did take place,
Everyone had a wonderful time,
I presume,
The grads that performed will be hard
to replace.

This was Drury this past week,
We hope Dateline Drury you will enjoy.
We hope you liked this little peek,

For Dateline Drury is the real McCoy!

BISHOP REDING HIGH SCHOOL

Keeping in tune with the recent heat wave, the halls of Bishop Reding have been sizzling with competition and exciting activities. Over the past few weeks, students have been busy running campaigns and voting to elect the new wave of student government members. Congratulations are in order for the athletics department as a number of teams are making their way to the OFSAA championships. Read on for further information about these events and more...

BR's athletes are OFSAA bound! We have the great honor of sending one of our very own track and field students to this prestigious competition. We all would like to wish Wayndale Bennett good luck in the competition ahead. Also, a good luck goes out to our senior boys' soccer team who also qualified for OFSAA. There is no shortage of school spirit at BR with two teams qualifying for OFSAA and the athletic banquet coming up this Thursday. Remember to pick up your tickets in the piazza on third and fourth lunches.

The much anticipated announcement of the new Student Council happened on Friday, May 26th. Although the votes were very close, especially for the Grade 12 representatives, the winners are sure to be a good choice. Next year's Grade 10 Reps are Sabrina Brown and Michelle Cabigao, and the Grade 11 Reps are Mackenzie Cummers and Kathelene Johnston. The future grade 12 Representatives are Erin Hetherington and Leah McNeil. The Vice-President of Student Counsel will be Julia Riddell, and the President will be Zak Sholtz. Thankfully, the candidates that did not get elected will be heading the Student Advisory Committee next year that will work closely with the Student Council. This is a great idea, since it will give former student council members Carissa Lawther and Jade Ryan more opportunities to make improvements within the school. Next year is sure to be amazing!

On Wednesday, May 24th, the Bishop Reding choir performed in the Milton's annual Music Festival at Holy Rosary Parish. They performed three songs from their outstanding repertoire, and their performance was critiqued by a judge. Because of their fabulous singing, the choir, conducted by Ms. Caruana, was awarded a scholarship for the BR music department, as well as a call back to perform in the festival's wrap-up celebrations on Sunday, May 28th. This performance featured a solo by Sherwin Whyte in the piece "Richard Rogers in Concert". Congratulations to the choir and Ms. Caruana, for their commitment to excellence in music, both in and out of school.

Congratulations to all Bishop Reding students who are taking on such active roles within the school community! The Inside Sources are proud to have such responsible, enthusiastic students and staff members, who are helping to make the high school experience more enjoyable for all.

PREPARE FOR THE ROAD AHEAD.
