Halton's Landscape Needs Your Talent And Ideas

Open Houses on the Durable Halton Plan: Building our Future Landscape

What Halton Region looks like and how it functions depends on you. Your contributions are needed to help us build the Durable Halton Plan. This Plan will be our blueprint for building Halton's sustainable and healthy communities well into the future. It will determine where and how we grow, and what we protect. This is your opportunity to help shape Halton's landscape for the next century.

The Durable Halton Plan will respond to the Provincial Growth and Greenbelt Plans, help us meet provincial requirements and ultimately, assist us in developing the next Official Plan.

To help us plan for the future together, Halton Region will host open houses to provide Halton residents and businesses with the opportunity to get involved and learn more about the Durable Halton Plan.

Let's shape Halton's landscape together. Please join us to plan our future at one or all of the Open Houses listed below.

Open House Schedule			
6:30 p.m. Open House • 7:00 p.m. Presentation

Background information is available at www.halton.ca/DurableHalton.

For more information, please contact Jane Clohecy, Director of Planning & Transportation at 905-825-6000 ext.7966, or toll-free at 1-866-442-5866, or email jane.clohecy@halton.ca.

Halton Region's Waste Management Services Helping Us Avoid Accidents and Injuries

As residents spring clean around the home, Halton Region would like to remind residents to be mindful of the material that is set out to the curb for waste collection. Do not place hazardous material, such as chemical cleaners, garden chemicals, paints and oil, in your garbage; instead take the materials to the Household Hazardous Waste Depot.

Household Hazardous Waste Depot

Household Hazardous Waste Depot
Halton Waste Management Site
5400 Regional Road 25, Milton

Regular hours of operation
Monday - Saturday,
8:00 a.m. - 4:30 p.m. (excluding
Statutory holidays)

Household Hazardous Waste is Accepted Free of Charge and Includes:

- Acids
- Aerosol cans (full)
- Antifreeze
- Automobile batteries
- Bases
- Bleach
- Fertilizers
- Fluorescent bulbs (8 max.) NEW
- Fuels
- Garden chemicals
- Household batteries
- Household cleaners
- Motor oil and filters
- Paint
- Pesticides
- Pool chemicals
- Propane tanks
- Solvents
- Stains
- Varsol

Note: There is a 20 litre maximum per visit and no commercial hazardous waste can be accepted

Household Hazardous Waste Tips

- Use environmentally friendly alternatives.
- Never mix different products - explosive or poisonous chemical reactions may occur.
- Before arriving at the depot, make sure all materials are in their original container or that the contents are clearly marked on the container. Be sure all containers are capped securely.
- Waste materials are not emptied from containers so containers cannot be returned.

Please remember...

- Hazardous products can and do mix when placed in the garbage truck. Just like the home, the mixing of chemicals can cause adverse reactions and this can lead to injuries to the people who collect your waste. For the safety of others, please ensure that these materials never make it into the truck!
- Household Hazardous Waste can result in the pollution of soil, ground water, rivers and lakes when disposed of improperly.

For more information about the Household Hazardous Waste Depot, please visit Halton's Waste Management page at www.halton.ca

Public input sought at Forum on non-profit and voluntary sector

Halton residents are invited to attend a Community Forum that will help shape the future of Halton's non-profit and voluntary sector.

The Chairman's Roundtable on the Non-Profit and Voluntary Sector was convened in June 2006 to address the infrastructure and financial issues faced by this sector and to evaluate its impact in Halton. Community stakeholders will hear the outcomes of the Roundtable's deliberations, validate them, and create strategies that will support the recommendations.

Please join us on **Thursday, June 15** at Le Dome Banquet Hall, 1173 North Service Rd., Oakville, from 9 a.m. to 2 p.m. To register, visit www.halton.ca/VolunteerRoundtable.

Joyce Savoline
Chairman
