MILTON DISTRICT HIGH SCHOOL

One day of school is all that is left of the most incredible, eventful, and fun-filled school year yet at Milton District! The halls of MD are overflowing with excitement and anticipation for the summer to come. It is amazing to see that the fact that exams start on Thursday has hardly put a damper on things with the smiles on everyone's faces not showing a hint of stress.

The latest buzz in the halls is a huge factor in all the excitement taking place. Prom is only a week away! Prom dates, dresses, after parties, and limos are only a few topics being discussed just a week before the big day on June 28th. All graduating seniors will without a doubt have an unbelievable time celebrating their years spent at MD, and everything that awaits them after graduation.

Along with prom, for the grads that will be leaving, the last day of school also comes with many difficult goodbyes as they take a huge step in their lives and leave high school.

These grade twelves graduating have been such a huge part of MD life that it will be hard to imagine things without them. We all know how the Student Council, Student Athletic Association, sports teams, and all other clubs here are nothing but the best! Much of the success of these things is because of the seniors graduating that made everything possible by being great leaders. From all the Mustangs at MD, we would like to wish all the grads good luck in their future endeavours! We will miss you!

As the school year wraps up with everyone agreeing that the summer holiday is definitely a much-needed break, we've still all got to admit, school hasn't been bad at all. The year has been full of homework, assignments and tests, but as we all leave and go about celebrating our summer, the school year actually gives us a lot of really good memories to look back on.

Finally, the Mustang Messengers would like to thank all the Mustangs, parents, and community members who have read our article weekly. We really appreciate the support we get from the community, and hope that you will continue coming to the "Mustang Messenger" next year for your weekly scoop of life at MD.

In the meantime study hard for exams Mustangs because just think, after they're over, you are absolutely free!

SUMMER!

That's right, folks. Summer has arrived and school is coming to an end. Summatives are finally over and students are now scrambling with some last minute studying before the exams. The weather is beautiful and the days are long, and students throughout the school can't wait to get out there and enjoy it all. The excitement is palpable; everyone is eager to welcome the summer holiday with open arms. But it's not over yet, so don't forget to study for those exams and finish all those little projects. Summer, here we come!

Along with the festivities at the end of the year comes the Election. After an awesome year as Prime Minister here at Drury, Monica Szymezko is stepping down and handing the reins over to the next leader of the school. On June 14th, students had the opportunity to hear speeches from the two hopeful candidates, Laura Prusha and Kym Baker, followed by a vote. Who will be next year's Prime Minister? That would be Kym Baker. Congratulations!

In more melancholic news, this will be the last article from Dateline Drury. It has been an awesome year, and we're proud to have been a part of Dateline Drury. Unfortunately, all good things must come to an end. We hope you enjoyed reading about the happenings at Drury throughout the year, as we quite enjoyed writing about them. We also hope you tune in again next year for more exciting adventures at E.C. Drury! Good night, and good luck, from Michelle L. Dubois, Nathan Laanstra and Matt Lalonde.

BISHOP REDING HIGH SCHOOL

Well BR, the summer is almost here, and with the end of the school year approaching, everyone is getting pumped to have the best last week of school yet. Student Council is organizing a great day on Friday- the first annual Summafest. Also with the end of the year comes the end to some careers; Mrs. Yarema will be sorely missed this year. For the grade eights leaving the comfortable world of elementary school and entering high school, a used uniform sale is being held.

With the summer season quickly approaching, BR students have been looking for ways to enjoy the warm weather. The Student Council's first ever Summafest on Friday June 16 was a perfect idea for those who wanted to soak up the sun! Those who joined in the fun were treated to free popsicles, a jello castle-building competition, and an acoustic guitar jam session, among other things. The festival took place during the lunch periods on Friday afternoon and was open to any students who were interested. Special thanks go out to Ms. Kuch and all Student Council Members who made the afternoon such a success!

Also on June 16th, a very special lady was honoured at Bishop Reding. Mrs. Yarema, a former principal of BR as well as an Assistant Superintendent of Education for Halton Catholic Board, will be retiring at the end of this year. This past Friday afternoon, in order to celebrate her career and commemorate her time at Bishop Reding a prayer liturgy was held in which both the senior band and choir performed. The service was a well-deserved send-off to a great person who helped shape the Bishop Reding community. Everyone would like to wish Mrs. Yarema good health and the best of luck in her retirement!

Since everyone is so busy with exams and culminating activities, your Inside Sources thought we should remind our readers of something they probably have not considered. During exam week used uniforms can be dropped off to be sold. On Monday, June 26 and Tuesday June 27, used uniforms will be taken in from 4 pm until 7:30 pm. The sale of the used uniforms will be held on Tuesday July 4 and Wednesday July 5 from 4 pm until 7:30pm. Uniforms will also be sold during the grade 9 day BBQ from 10:30 am until 1:30 pm. The date of the grade 9 BBQ is Wednesday, August 30, but volunteers are needed for the sale!

PREPARE FOR THE ROAD AHEAD.

Next courses:

4 DAYS

July 4, 5, 6 & 7
9:30 am -4:15 pm

4 DAYS

July 24, 25, 26 & 27
