

Green Party hosts pub night Tues.

While the next federal election may be off in the distant future, the Halton Green Party is striving to stay at the forefront of residents' minds by hosting a pub night this Tuesday.

The event, which will take place at The Olde Dickens pub on Mill Street at 7:30 p.m., will give party supporters an opportunity to show their interest and provide input for future Green Party initiatives in Halton and further afield.

In addition, there'll be an opportunity to volunteer for various roles on the local executive. Political experience is not required, but an interest in promoting a healthy lifestyle, economy and environment is.

Kyle Grice, Halton's Green Party candidate in the last federal election, will also be on hand to listen to opinions and answer questions.

Parade committee meets next week

Believe it or not, it's already time to start thinking about Santa Claus.

The 2006 Milton Santa Claus Parade Committee will meet Wednesday to make plans for this year's event, and those interested in helping out are encouraged to attend.

The meeting will take place at 8 p.m. at Troy's Diner on Main Street.

The parade will be held November 26 and the theme is A Movieland Christmas.

A number of bands and attractions have already been booked for the parade, which organizers say should be the best ever.

Those who can't attend the meeting but want to volunteer can call secretary-treasurer Mike Ricker at (905) 876-1331.
