

# Padgett bursary awarded

The son of two local business people has been named the winner of the 2005/06 Padgett Business Services Scholarship.

Mark Cicero — son of the Ciceros, who own The Source by Circuit City at Milton Mall — was recently awarded the \$500 scholarship.

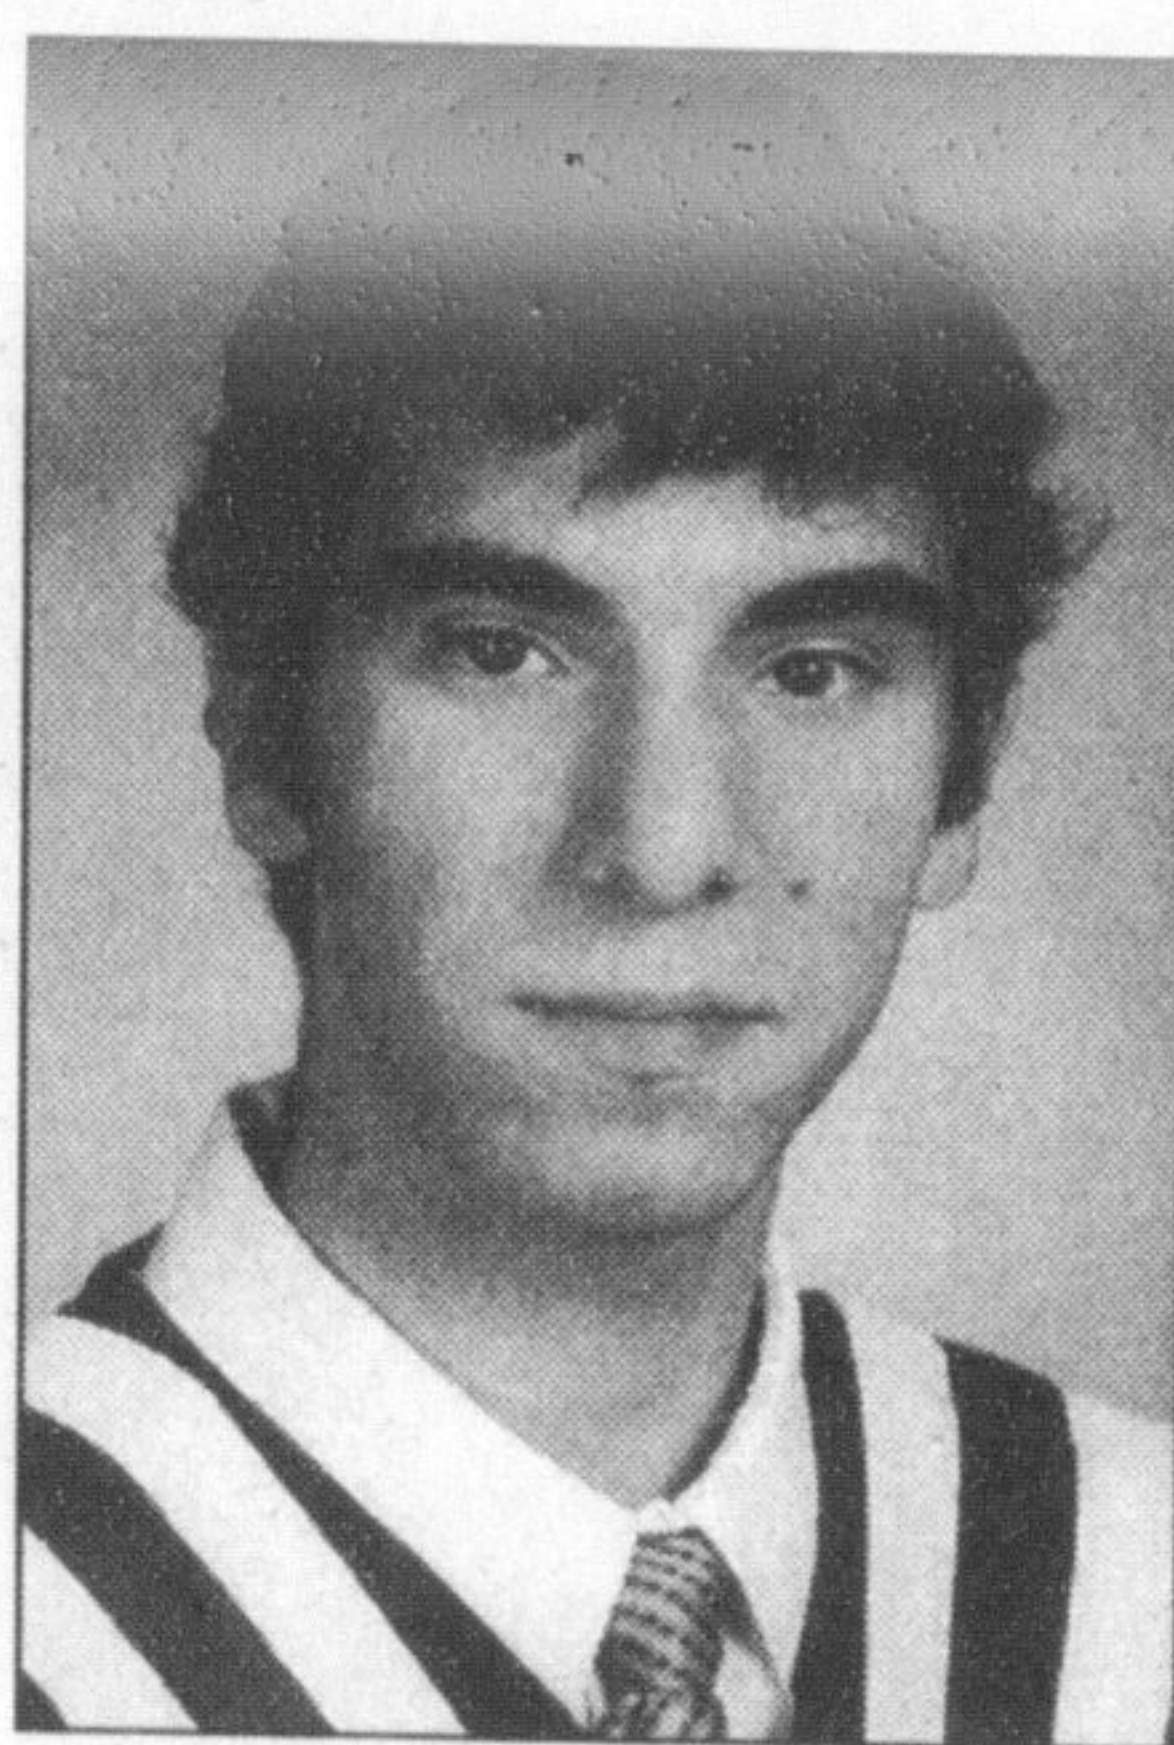

The youth is a graduating student of St. Joseph's Secondary School in Mississauga, where he was named Most Valuable Student Council Member.

He's also the recipient of a

Millennium Scholarship, Western University Scholarship, the University of Toronto National Book Award and the Grace McFarlane Award. He will soon be studying medical engineering at Western University.

The Padgett Scholarship Program is open to children of independent business owners in north Halton.

For more information on the program, call Gloria Francis at (905) 693-8777.

# Have debt problems?, counselling available

Money problems can take the joy right out of life, but help might be just around the corner.

Halton Consumer Credit Counselling Service (HCCCS) — funded by the United Way — offers financial counselling to Halton residents struggling with credit and debt problems.

HCCCS offers a wide spectrum of face-to-face financial counselling — from simple budget assistance to debt

repayment programs to counseling after bankruptcy.

For people also struggling with stresses such as marriage and medical problems or gambling and substance addiction, HCCCS can assist in finding the resources to help.

Fees for the services of HCCCS are geared to accommodate clients' financial situations.

For more information about HCCCS, call (905) 845-3811.

#### REGIONAL MUNICIPALITY OF HALTON

#### NOTICE OF FILING OF ENVIRONMENTAL STUDY REPORT Derry Road (Regional Road 7) Transportation Corridor Tremaine Road (Regional Road 22) to First Line/Bronte Street, Town of Milton Class Environmental Assessment Study

The Regional Municipality of Halton has carried out a *Class Environmental Assessment* (EA) to address future travel demands on Derry Road (Regional Road 7) from Tremaine Road (Regional Road 22) to First Line/Bronte Street (see map below). The study was conducted in compliance with Schedule C of the Municipal Class Environment Assessment (June 2000), which is approved under the Ontario Environmental Assessment Act.

Following the March 1, 2006 Public Information Centre, the preferred alternative was reviewed in light of comments received and modified as required. Taking into consideration the comments received from the Town of Milton, regulatory agencies and the public, the recommended alternative includes:

- The widening of Derry Road (Regional Road 7) from two to four lanes from Tremaine Road (Regional Road 22) to First Line/Bronte Street with an urban cross-section, continuous centre median and delineated on-road cycling lanes; and
- A grade separation underpass at the CN Rail Line, located west of First Line/Bronte Street.

The Environmental Study Report (ESR) has been prepared to document the planning and decision making process undertaken for this study. By this Notice, the ESR is being placed on the public record for a 45-day review period in accordance with the requirements of the Municipal Class EA. Subject to comments received as a result of this Notice and the receipt of necessary approvals, Halton Region intends to proceed with the detail design and construction as documented in the ESR. The ESR is available for review at the following locations:
