History is in the making at Bergsma's Home Decor in Downtown Milton. Celebrating their 21st Anniversary, Bergsma's Home Décor is a pillar in the Milton community.

Since opening in Milton in 1985, Bergsma's Home Décor has been known for its innovative approach to the retail home decorating business. Bergsma's pride themselves on creating a stress free atmosphere balancing the otherwise stressful issues associated with remodeling or decorating. They offer the latest in paint, wallpaper, window treatments, lighting, commercial coatings and design consultation.

Originating within Georgetown in 1967, Milton became home to Bergsma's second location in 1985, situated on Main Street in a small 1000 sq. ft. store. Over the next 21 years and after gaining years of experience and training from their father George Bergsma, brothers Jeff and Peter developed a leading edge, 6000 sq. ft. showroom. The store located in historic Downtown Milton has been completely restored and renovated exposing the beautiful wood plank flooring and the original brick walls.

Keeping up with Historical appearances, Bergsma's have insightfully created inspiring displays in a Historical setting to enhance product presentation and exude a warm, welcoming shopping space for clientele.

In the fall of 2002, Bergsma's Home Décor introduced Main Street Lighting. This was the logical next step to their home décor business. Knowing that many of their customers would be seeking lighting to complement their new or enhanced décor, it only made sense to cater to these needs. Main Street Lighting offers a full selection of lighting for every room in the house, from classic to innovative – and outdoor lighting fixtures too! They have selected lamps and fixtures from all the best suppliers around the world.

Bergsma's Home Décor is also home to a one-of-a-kind paint product titled C2. The C2 brand is a high quality paint manufactured using more pigments and resins than any other paint made in North America. This unique formulation not only gives the colour palette added complexity but it allows for easier application, even coverage, durability and UV and fade-resistance.

After years of hard work, Bergsma's is now reaping the fruits of their 21 years of labour. Now solidly planted in the Milton community, Bergsma's is well equipped to deal with the current explosive growth and development in the Milton community.

Innovation has been the key to Bergsma's success. By constantly expanding their range of products and creating surroundings that are welcoming, inspiring and enlightening, they have raised the bar for home décor.
