

# Some rates for Town services lowered due to GST reduction

The Town has adjusted its rates and fees to reflect the federal government's GST reduction.

The new rate, which kicked off July 1, will be applied to certain Town services such as adult registered recreation programs, monthly or quarterly payments made on fitness memberships at the Milton Leisure Centre and facility rentals.

Fees related to a single

admission for recreation programs, such as skating and swimming, won't change. Previously these fees were rounded for customer convenience and to facilitate a faster and easier process for providing change.

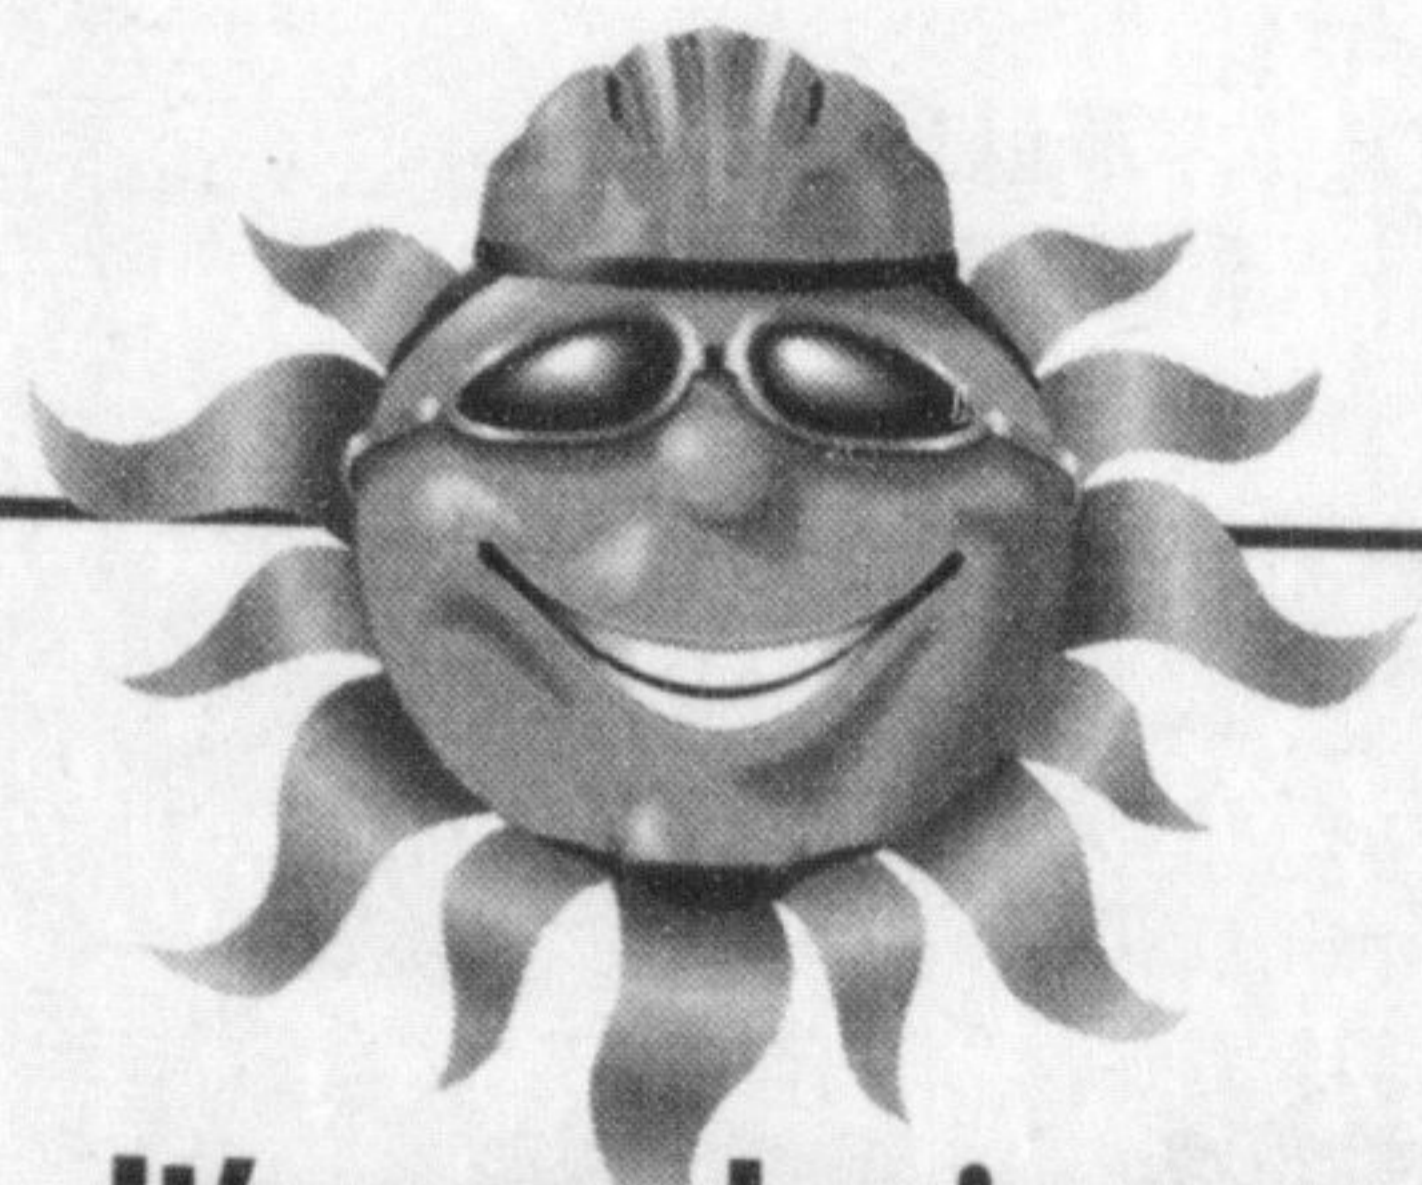

Many of these types of fees aren't adjusted on an annual basis and have been at the same rate for several years.

"Therefore, for efficiency and

convenience, these fees will not be adjusted for the reduction in GST," a Town press release states.

Children's registered recreation program fees aren't GST applicable.

For more information on fee changes as a result of the GST reduction visit [www.milton.ca](http://www.milton.ca) or call (905) 878-7252, ext. 2142.

It's a no-brainer...

## WEAR A HELMET!

Sports injuries are preventable, and wearing a helmet can help, especially when in-line skating, biking or climbing.
