Discovering Downtown
Milton
A COUNTRY MILE
 FURNITURE, HOME ACCENTS & GIFTS

The finishing touches are now being completed at A Country Mile's new location at 271 Main Street E in Downtown Milton. Kimberly and Glenn English, owners of A Country Mile have been busy setting the direction for how A Country Mile will operate going into the next decade. The couple just celebrated their 10 year anniversary at 265 Main Street in Carriage Square Downtown Milton.

Kimberly & Glenn had been looking for a building in Downtown Milton for years. They learned about the availability of the site at 271 Main Street, about 5 years ago and felt it would be the perfect location for their store. This has given them a lot of time to dream, plan, and prepare for the move across the street. The new location will be larger. 2200sq.feet all on one level and will feature many old favourites as well as new additions. A full service café has been incorporated into the concept as well as fresh flowers by local florist Sari Yorke.

"We are very excited to see our plan and dreams in motion" said Mr. English.

An outside deck overlooking Sixteen mile creek will be created to allow wheel chair access, access from the rear parking lot, café table and garden accents on display.

Kimberly and Glenn are pleased with the increased visibility of the new location and the great parking available for customers to the rear of the store. "Our customers seem to be very excited to see the new store" said Ms.English. She mentioned there will be a few secrets left for surprise when the new store opens in early August.

Kimberly & Glenn wanted to express a heartfelt Thank You to the local talent which they called upon to make the renovation successful. Marc Brush, Brush Construction and crew; Brian Williams, Architect; Maitland Spencer, Engineer; Brian Whitehead Masonry, Mowbray Heating & Cooling, Charlie Speck welding; Melanie Porter, TD Canada Trust, to name a few. "Everyone has been very supportive and have done a great job" said Mr. English.

The new building will be a prominent new anchor to the east end of Downtown Milton for years to come. The English's hope that they may inspire some of the other downtown landowners to improve their buildings as well.

A Country Mile Opening Day will be within the first week of August at their new location. The English's and the Staff will be working hard to make sure their customers will be delighted with the stores new direction.
