WEAR A HELMET!

Sports injuries are preventable, and wearing a helmet can help, especially when in-line skating, biking or climbing.

Allendale seeks student volunteers

Are you a student looking to gain some practical skills while earning community service hours for graduation?

Then the Allendale long-term care home, which is currently seeking volunteers, might be the place for you.

Its summer student volunteer program provides youth with an opportunity to learn about a variety of different careers, including recreation programming and hairdressing. Students can do everything from assisting in recreation programs like bingo to helping seniors attend concerts or plays to visiting with residents and clients. Volunteers also help out with outings, clerical work and adult day programs.

Students would work Monday to Friday from 9:30 a.m. to 3:30 p.m. for a minimum of three weeks. Those who volunteer can apply their hours toward the community service requirements for graduation. There are also several evening and weekend programs available.

Young people interested in obtaining an information package or taking a tour of Allendale should contact Halton Region at (905) 825-6000, ext. 4011.
