

Your Invitation To Worship

Hurdling the Fences in Our Minds

In the family-adventure movie, Chicken Run, dozens of chickens are held captive in the prisoner-of-war-like camp at Tweedy Farms. Ginger is the chicken mastermind who keeps devising new plans to help her fellow chickens escape. Ginger knows that when a chicken's egg production is down they will face the chopping block. Ginger dreams of a place where the grass is green and the chickens can be free.

In a chicken coop organizational meeting Ginger shares her new escape plan with the chickens. They have tried going under the fence, now they will find a way to fly over the fence.

Ginger encourages the chickens to imagine a place on the other side of the fence where the grass is green, a place where there is no farmer, no egg counts, and no chopping block.

Some of the chickens have a hard time seeing the place Ginger imagines. One chicken says, "Perhaps we should just try not escaping."

Ginger responds "What kind of life do we have just laying eggs until we get wacked and

stuffed. . . Don't you see, the fences aren't just in the yard; they're in your mind."

The chicken gruffly answers back, "The chances of us getting out of here are a million to one."

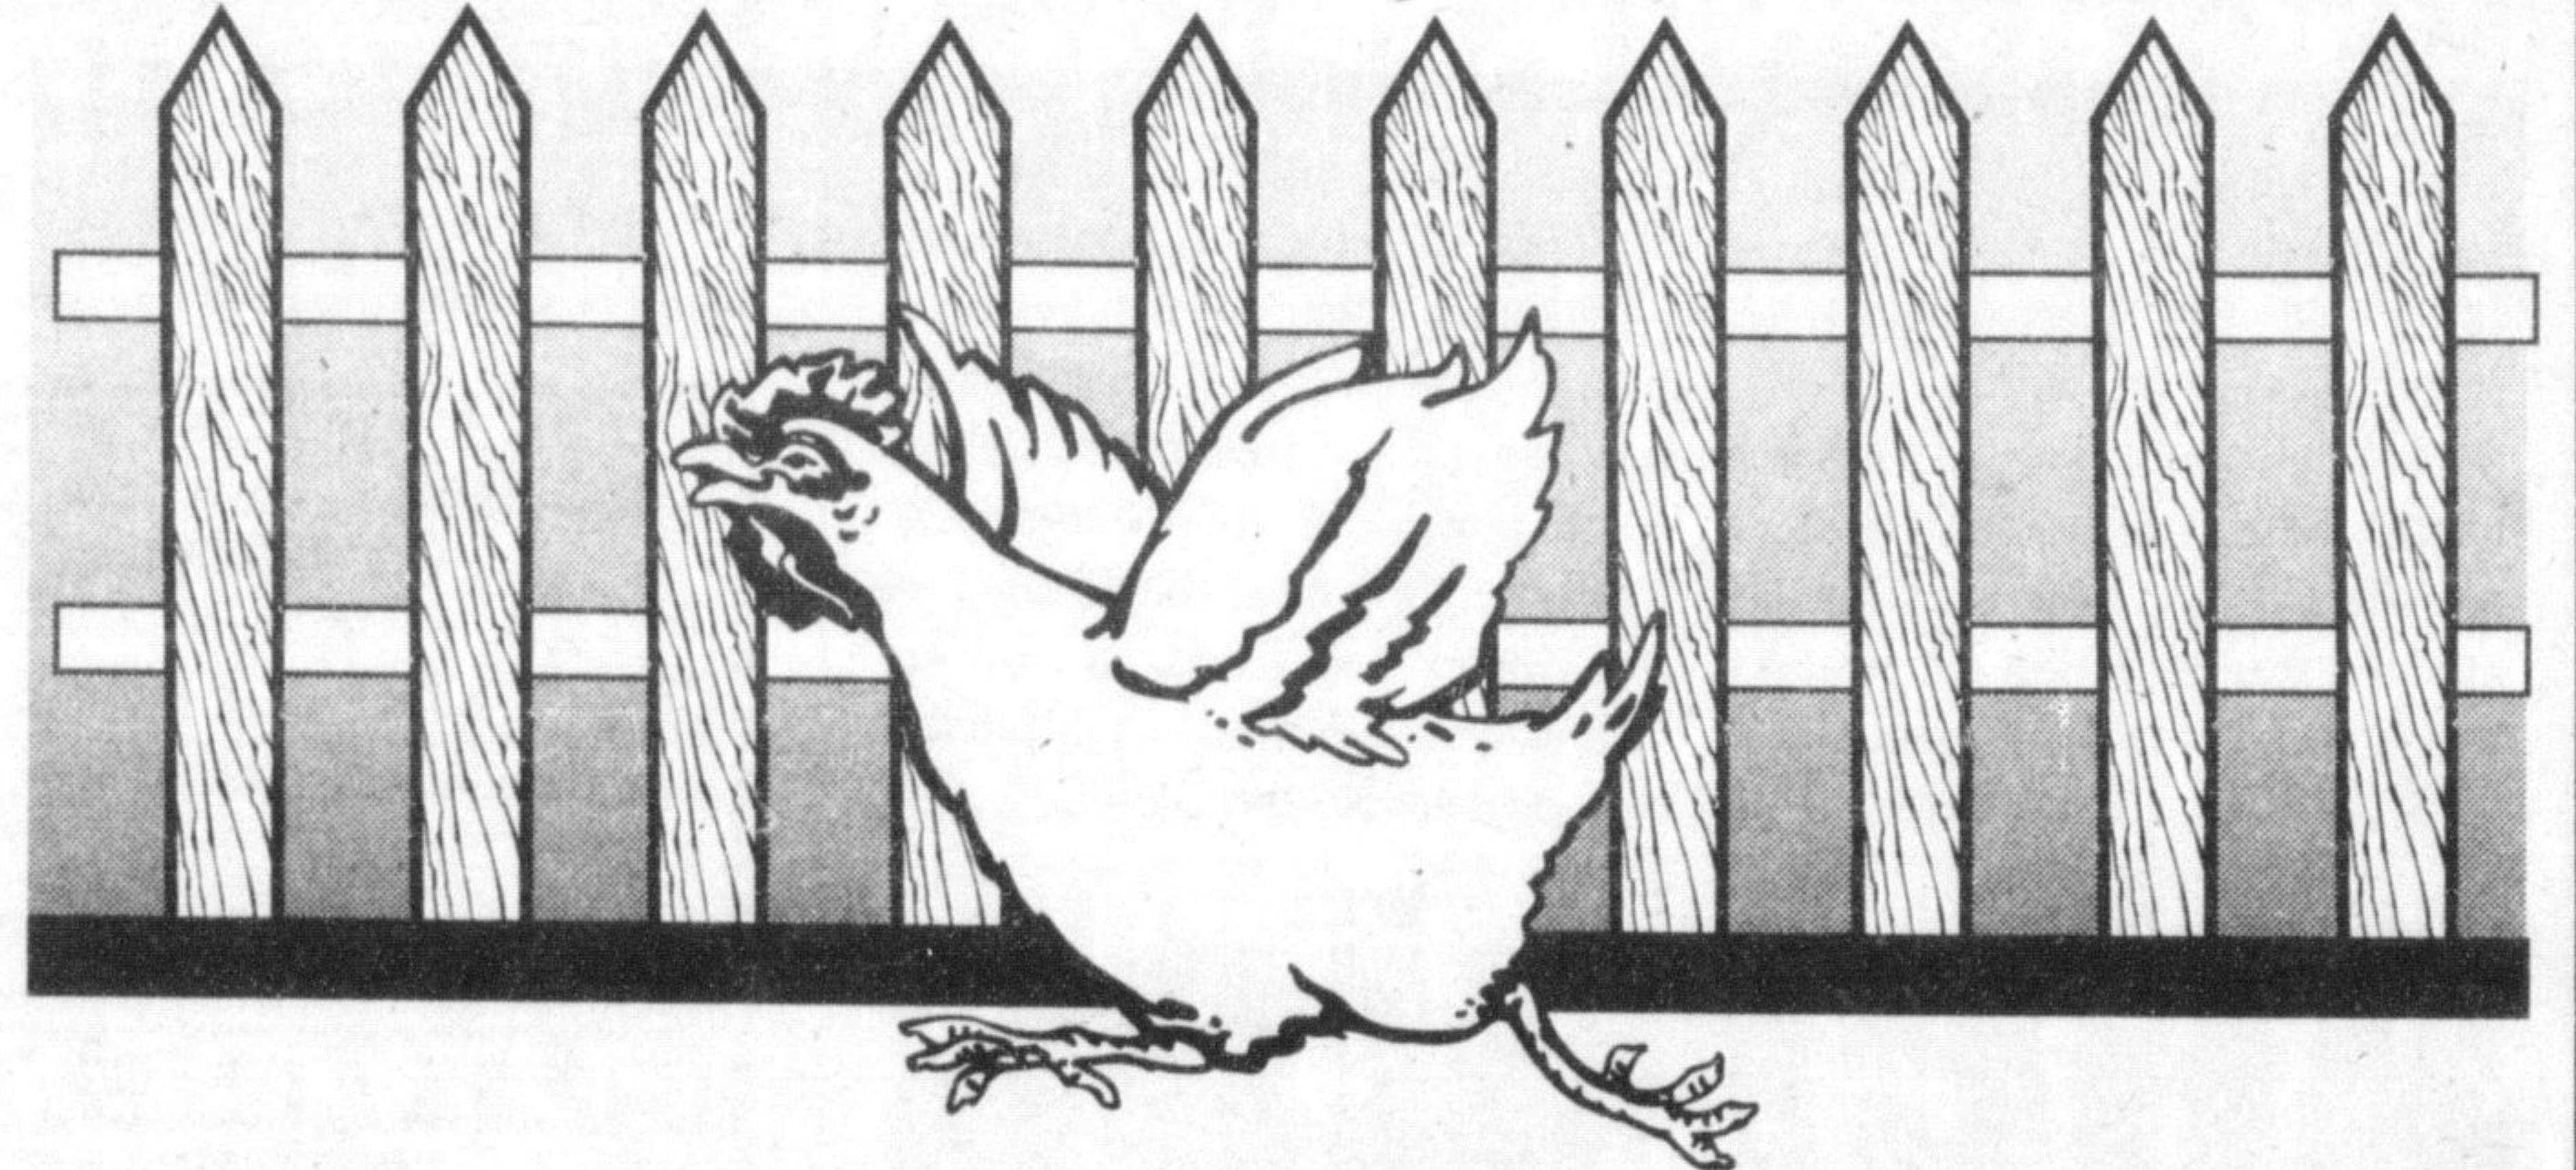

"There's still a chance then," Ginger replies.

Hear her optimism? Listen to her statement of faith! Ginger's inspired imagination led her captive colleagues to dream of freedom and then to pursue it!

Thank God for people who help us to dream of freedom and encourage us to explore possibilities that some wouldn't even dare to think of! Be set free from the fences in your mind - to allow your imagination to be inspired to dream God-sized dreams. Remember, faith sees possibilities long before reality grasps them!

The impossible can become the incredible with God! To learn more, visit a local church this week! Service times and locations are published in the Religious Directory below to help you!
