Advertising Sales Representative

"I have worked very successfully as a regional and store manager in the retail industry for many years. I earned good salary and enjoyed the network of people around me but time with family was limited because the job required me to work weekends and nights.

Finding this position with the Gold Book has given me the freedom and flexibility to attend to my family priorities and still be successful even though I had no prior experience in directory sales or advertising.

I have also found my earnings to date to be slightly greater than my previous position. And the potential to increase in salary in the coming year is very exciting. To not have missed a dollar of lost earnings during a job change transition from a salaried position to a commission income speaks volumes for what opportunities lay ahead for a motivated individual in this organization."

Jacqueline Vincent-Gilmore
Media Consultant,
Gold Book.
