ARE YOU READY TO OUTPERFORM?

On behalf of Drake Medox, our client in Oakville is looking for a **CLINICAL EDUCATION SPECIALIST** for their Medical/Surgical Unit. The successful candidate will be the company expert in vascular access. Key responsibilities and requirements of this opportunity include providing essential educational programs, building relationships with key organizations, presenting at major conferences and publishing articles for industry periodicals. The individual will also work closely with Medical sales associates, marketing, technical services teams and key customers. If you are a Registered Nurse with advanced vascular access skills, a min. of 5 years experience in vascular access, expertise in program development and delivery and you have previously published industry periodicals, you are affiliated with a vascular access professional association, you possess strong presentation skills and have business experience, please forward your resume to Shawna Gilbert at: 2514SG-GH.drake@hiredesk.net

Canada's
2004 ENERGY STAR Manufacturer of the Year
2005 ENERGY STAR Retailer of the Year
Requires
A LOCAL AREA SALES PERSON

Celebrating 25 Years in business, we have a proven track record in helping our sales people succeed in the booming home renovation market. Centennial manufactures and installs directly to the home owner some of Canada's most energy efficient windows and doors and has been recognized across Canada for its exclusive products and its extensive marketing programs. Our unique training and support systems will provide you with the knowledge to sell our products with confidence. You will join some of Canada's most professional and successful sales people already earning an executive income from a steady flow of quality appointments. Commissions are boosted with monthly volume rebates, annual bonuses, trips and many other incentives.

This is a career opportunity where experience in selling products or a service directly to the consumer will be a distinct advantage. But with our in depth training program specific window industry experience is not necessary. If you know what it means to make a sale on features and benefits rather than just on price and if you are looking to join a company that appreciates your skills...
