Teams: Planet Kids	1
KCK Team Wear	0

Cheers to both teams for demonstrating determination, spirit, and effort!!! Great saves by Planet Kids' Matthew Terzo & Alexandra Robson kept KCK Team Wear scoreless. While Gemma Donegan & Liam Devlin made an excellent effort in net for KCK. The only goal for the evening, and last goal of the season was scored by Planet Kids' Trevor Harris. A big "High Five" & thanks to all players, coaches, parents, etc.

MIXED UNDER 6

TIM HORTONS (Yellow)	3
LITTLE HANDS DAYCARE	0

Both teams battled vigorously through the rain, but it was Tim Hortons who celebrated a 3-0 win in the final game of the season. Little Hand's Anthony Cluett made numerous saves throughout the game along with Tim Horton's Ethan Flower and Riley Turenne. Jenna Wilkinson, Nathan Usrulak, and Scottish mid-fielder, Angus Thomson demonstrated their excellent defensive and offensive skills for Little Hands, but the dynamic trio of Keagan Flower, Jack Harten and Sheldon Looor sealed the win scoring a goal each for Tim Hortons. Special mention goes to Madison Kaldenbach, Victoria Looor and Brandon Nidd from Tim Hortons for their excellent defensive tackles, along with Joshua Bowler, Mitchell Foster, and Ethan Nutbrown from Little Hands.

GIRLS UNDER 9

Milton Magic Red	4
Milton Magic Orange	2

On a beautiful August evening, Red and Orange faced off and the girls had a great time. Fearless goalkeepers for Milton Magic Red were Margaret Boehmer and Julia Sturm while Katie Bergin and Rebecca McLaren teamed up between the pipes for Orange. In a hard fought, back and forth game, the girls showed how much they had learned throughout the season. Congratulations to everyone for playing their position, passing, and generally playing good "heads-up" soccer that night! Congrats to Jennifer Mattell for working hard to set-up her teammates with great plays and to MacKayla Redden for her endless enthusiasm! MM Red goals were scored by Erika Best and Ashley Gerber who each scored two apiece. The two MM Orange goals were scored by Chae-lynn Bailey.

Primary Electrical Supply	3
Milton Magic	2

The Magics' goals were both scored by Lauren Furik in the first half. Primary's Ashley Kells and Amanda Masciantonio each scored a goal, also in the first half, and kept the game tied going into the second half. But the Primary Perps came through! With teamwork and great determination, Tasha Brunner scored her first goal of the season late in the game, and then showed her spectators how thrilled she was by doing cartwheels all the way back to the half-line for the kick-off. Brandi Jagoe and Jennie Cushnie displayed their awesome soccer skills tonight, contributing significantly to Primary's victory and special mention has to go to Magic's Lindsay Smith for all of her effort. Good game girls!!!

BOYS UNDER 10

CJ's Auto	10
Milton Magic White	1

Milton Magic's Adrian Cedro & Julius Kporwodu tried their best in net, but the pressure from CJ's forwards was too much. Graydon Wessinger had an outstanding game & scored the lone goal M.M. White on the first shift. After that, goalies Akshay Kapoor & Christian Schomberg shut the door on the opponents. Jacob Mattell lead the scoring with his first, second & third goals of the year. Keeping pace was Justin Browne scoring 3 of his own. Singles were "chipped" in by Akshay, Kyren Lorde, Gabriel Arciga & Chris Woods.

3A (Chudleighs)	2
5A (Steven's Resource)	2

A great game played by all. Goal scorers were Dylan S. - 1 (Team 3A), Sam R. - 1 (Team 3A), Daniel F - 1 (Team 5A), Paul A - 1 (Team 5A).

BOYS UNDER 14

OPSEU Local 234	0
Lockport Auto Service	8

The regular season came to a close with Lockport Auto Service defeating OPSEU Local 234 Red Devils by a score of 8 - nil. Carl Gadowski lead the way for the Blues with four goals while Mark Jacklin scored a pair with Kyle Paul and Daniel Mikulic scoring one a piece. Defensively, Lockport was pretty solid at the back, limiting the number of opportunities that the OPSEU Local 234 Red Devils had on goal. Despite the score, OPSEU goalkeepers Eric Scarffe and Thomas Horvat played well. Local 234's Daniel Belmonte, Jeff Thompson, Arrick Singh and Christopher Bertasson also had steady outings.

OPSEU Local 234	3
Sears Milton	7

Sears Milton's stranglehold on first place remained firmly intact as they defeated OPSEU Local 234 by a score of 7-3. After feeling inspired at the beginning of the game, the OPSEU Local 234 Red Devils showed some spirited play and did well to keep Sears off the scoreboard for a significant portion of the first half. Eric Scarffe, returning for his first game since the start of the season, had a brilliant game in net for the Red Devils, thwarting many opposition attempts on goal. Scoring for Sears was Matthew McNish, Anthony Ferreira and Scott Cumming with one a piece and Matt Aspinwall and Alex Cerelli with two a piece. Responding in kind for OPSEU was William Abdelnour with one and Justin Ganly with two. The defence of OPSEU played very well and Shimantoe Chowdhury, Justin Ganly, Alex Maracle, Matthew Miller and Daniel Belmonte had reason to be optimistic while Brandon Baha ran miles in the midfield and was a constant irritation to the opposition the entire game.
