**HAMILTON STEEL GP INC.**, for and on behalf of Hamilton Steel Limited Partnership, is Canada's largest and most diversified steel producer. We are looking for excellent technical people who have the personal attributes to be productive members of our organization and who have the potential to be our leaders of tomorrow.

## Operating Engineer utilities department

Committed to safety and reliability, you will operate a broad range of equipment and machinery related to the provision of uninterrupted mechanical and electrical power and utility services. You will also operate our environmental and by-product facilities and equipment throughout the plant. At minimum, you are a certified 3rd class power/operating engineer with experience in an industrial setting. An IMT or gas fitter certificate and experience with gas safety testing would be assets.

HAMILTON STEEL is an ISO & QS certified manufacturer. We provide highly competitive wages and benefits to our employees, including a profit sharing program. Please send a detailed resume to: [maureen.ouellette@stelco.ca](mailto:maureen.ouellette@stelco.ca)

We thank all candidates; however, only those selected for an interview will be contacted. No phone calls, please.
