Halton Hills Fine Jewellery... suc•cess (sək-sēs') n.

The achievement of something desired, planned, or attempted: attributed their success in business to hard work.

Halton Hills Fine Jewellery would like to extend a personal invitation to visit their store in downtown Milton. As a family owned business, Halton Hills Fine Jewellery offers outstanding quality and selection with friendly and knowledgeable service. For over 20 years, they have been proud to share in Milton's celebrations and special occasions. Halton Hills Fine Jewellery has a reputation for personalized attention and a commitment to making sure that your jewellery selection will be perfect for a

lifetime.

Please stop in to see the wide selection of rings, gems, chains, pendants, earrings and more. Your jewellery can be customized to reflect your personal taste. HHFJ is proud to offer white and yellow gold in 10, 14 and 18 carat, titanium, silver and platinum. There is a certified diamond jeweller and gemologist on site and he would be pleased to arrange for a personal consultation. Halton Hills Fine Jewellery is also pleased to offer

"Canadian Diamonds". The store has become well known for Michael's special customized pieces. He designs any type of jewellery but he does more than that. Halton Hills Fine Jewellery is a service-oriented business where the emphasis is on educating the clientele so they know what it is they are buying. When Michael makes a ring, he explains the unique qualities of the stone, illustrates detailed styles and designs - no pressure sales. Your jewellery can be repaired on site and guaranteed. Whether it is a watch battery replacement, an engagement ring purchase or free jewellery cleaning, at HHFJ, you will always be made to feel welcome.
