

510 General Help

Stackpole Ltd. is one of the world's leading manufacturers and assemblers of leading edge powder metal components and assemblies for the automotive industry. Our Ancaster division, Precision Metal Components, is seeking to fill the following position:

Production Associates - Contract
Working in a safe & efficient manner, you will comply with the Health & Safety Policies & Quality Systems.

- Your responsibilities will be:
- Loading & unloading product
 - Machine operations include load/unload presses, CNC machining centres, load/unload furnaces
 - Recognizing & identifying process defects & reporting non-conformances
 - Reading & interpreting process sheets & Standard Work Instructions
 - Maintain daily communication to sustain uninterrupted production flow
 - Keep work area organized
 - Use and interpret measuring systems to inspect parts according to requirements
 - Produce desired quantity of product according to strict quality specifications

Experience in a high volume automotive manufacturing environment is preferable, minimum grade 12 education or experience equivalent. Shift work is required - afternoons (3pm-11pm) or nights (11pm-7am).

Contract will start as soon as possible and will run until December 15, 2006 at a rate of \$12/hr.

TO APPLY:
Visit our web site: www.stackpole.com and submit your resume through our CAREERS section, or send your resume and cover letter via fax to Human Resources: 905-304-4353. NO PHONE CALLS PLEASE.

We thank all applicants for their interest, however only those qualified for an interview will be contacted.
