

**515 Skilled & Technical Help**

**Light Production Machine Operators**

Axalto Canada Ltd. the world class leader in smart card technology is expanding its production centre in Burlington by adding second and third shifts. We have immediate openings for experienced CNC machine operators.

Applicants must have a high school diploma, at least 2 years production CNC machine experience, good manual dexterity, computer skills (MS Office), good math skills and the ability to work well in a team environment without close supervision. Positions require close attention to detail, multi tasking and the ability to stand for long periods.

Applicants must pass security background checks including credit, criminal & history verification of work and education.

Axalto Canada Ltd. Is a subsidiary of Gemalto. We are developing a team based self directed work environment using Lean techniques and high performance skills. The base rate of pay plus shift differential is \$14.00 per hour and we offer a 5% bonus opportunity. Benefits include; prescription drugs, dental, health spending account, life, add&d and disability insurances plus an RRSF with a 100% match on the first 5% of employee contributions.

Apply by email, fax or mail:
