

Learn about skilled trades

The Centre for Skills Development and Training will celebrate Canada's first Skilled Trades Day Monday.

The local branch — located at 550 Ontario St. S. — will offer tours of its Employment Resource Centre at 2 p.m., with a focus on finding out about careers in the skilled trades.

Tours of the trades training facilities at the Bay Area Learning Centre, 860 Harrington Crt., Burlington, will be offered at 10 a.m., noon, 2 and 6 p.m.

Orientation sessions on trades training options will follow each tour.

Skilled Trades Day is intended to recognize and promote the role that skilled trades careers play in today's economy.

For more information call (905) 333-3499, ext. 121, or visit www.the-centre.on.ca.

Do you have great teacher?

Once again, The Champion's Teacher of the Month feature is returning, and we need your nominations.

Does your teacher reach out to students in a special way? Does your teacher have a unique and effective way of teaching? We want to know about it.

The contest is open to all teachers from pre-school to grade 12 in the public and Catholic school systems, as well as Milton's private schools.

In addition to a feature on the winning teacher in The Champion, his or her class will receive a pizza party.

Send nominations by e-mail to miltoned@haltonsearch.com. The deadline for November's winner is this Tuesday.
