15 FULL TIME SEASONAL EMPLOYEES REQUIRED

A mid-size international organization located near the Toronto airport requires full-time seasonal employees to work in classifying and evaluating agricultural and wild natural resource products.

The successful candidate will have a good eye for colour and the ability to discern texture and quality through hands-on inspection. Additional warehousing duties may be assigned as required.

The positions are suitable for individuals who currently have Summer employment but would be available for winter employment from November 27, 2006 to mid May 2007. Evening shifts are available. The job is equally suited to men and women.

Full pay for the successful applicants will commence even at the start of a 1-week classroom instruction period followed by hands-on product classification training. We offer a competitive starting wage, repeat seasonal employment for trainees that excel, with excellent opportunities for advancement. We have 2 positions open for Production Control Clerks for the same employment duration. If applying for these positions, please write in your cover letter Attention: PCC.
