CBM design driven manufacturing
 Canadian Business Machines Ltd. is a design driven metal fabrication company. CBM was established in 1927 and takes pride in quality products and excellent customer and employee relations. We are currently located in Mississauga and are excited to announce that we are building a new facility in Milton. The expected move is January 2007. The following job vacancies will be relocating to our new facility in Milton.

Machine Operators/Spot welders - Day & Afternoon Shift
 These positions include operating/setting up single/multi head spot welding machines and pemming machines.

Assembler/Packers - Day Shift
 We are seeking skilled Assemblers with at least 3 years' experience. These positions require a strong mechanical aptitude and attention to detail to assemble quality products. Knowledge of air tools and taping machines are an asset.

These positions require moderate to heavy lifting; the ability to read drawings; follow written and verbal instructions; complete paperwork and accurately read measurement tools. Good communication skills are essential. The successful candidates will be team players who are willing to assist in other departments as required.

CBM is an Equal Opportunity Employer. We offer a competitive compensation and benefits package. For more information on CBM, please see our website at www.cbmmetal.com.

If interested, please email, fax or mail your resume to:
