

# Your Invitation To Worship

## The Most Important Question

Life's great lessons are often learned through viewing ordinary items with another's paradigm. Consider the thoughts of a registered nurse: "During my second month of nursing school, our professor gave us a surprise quiz. I was a conscientious student and had breezed through the questions, until I read the last one: What is the first name of the woman who cleans the school? 'Surely this was some kind of joke!' I thought. I had seen the cleaning woman several times. She was tall, dark-haired and in her fifties, but how would I know her name?! I handed in my paper, having simply hazarded a guess on the last ques-

tion, not wanting to leave it blank. Before class ended, one student asked if the last question would count toward our quiz grade. 'Absolutely!' said the professor. 'In your careers, you will meet many people. All are significant. They deserve your attention and care, even if all you do is smile and say hello. I never forgot that lesson. I also learned the cleaning woman's name - Dorothy.' A transforming, spiritual truth is that God knows us personally and intimately. He knows us by name. That liberating reality in made very real through the paradigm of Jesus.

He assured His followers that God knows the very number of hairs upon our heads. Why is that important? Why would Jesus make such a statement? Here it is: If He cares enough about us to ascertain such an insignificant detail, one that few of us have taken the time to determine, than how much more does He care about the noteworthy aspects of our lives?! Wow! Scripture encourages us elsewhere to "Cast all your cares upon Him, for He cares for you." We can bring the challenges of life to God through prayer! He knows who we are and what

we are going through. He wants to help! Troubled? Perplexed? Full of anxiety? Paralysed by fear? Set aside your cares. Pray. Turn to God today. He cares for you! Consider visiting a church near you this week. Service times and locations are published in the Religious Directory below. Establish a pattern of including God as part of your life's priorities and reap the benefits afforded you from a relationship with Him! Learn to be all that you can be! Submitted by Rev. Dan Rogge, Pastor of Milton's New Life Church
