

# Painter and weaver join artisans gallery

The Artisans Gallery is welcoming two new members to its artists' collective.

Barb Ross and Cathy Parker recently joined the gallery, which is an artists-run space at the front of Milton's only glass blowing studio, Galactic Art Glass, 781 Main St. E., unit 26.

Parker has been an artist for 20 years, and works in various mediums including water-colour, oil and encaustic painting, textile fabric and flame worked glass.

"Painting is my preferred way to make dis-

coveries about my own personal journey," Parker said.

Ross will contribute her weaving to the studio, something she started doing 15 years ago. Ross said she enjoys the blending of colours, textures and structure in her weaving.

She has recently been influenced by the Japanese dyeing technique of Shibori, which involves the wrapping, clamping and manipulation of threads in the dye process.

The Artisans Gallery will hold its annual

open house and seconds sale this weekend, featuring works in blown glass, pottery, hand weaving, watercolour paintings and stained glass that aren't quite perfect.

The open house and sale will take place today from 10 a.m. to 6 p.m., tomorrow from 9 a.m. to 5 p.m. and Sunday from noon to 4 p.m.
