

# Herbal Magic helping local women's shelter

## Weight loss centre collecting 'nurture items'

Sometimes the smallest of actions can make a big difference in someone's life.

That's the thinking behind a community outreach being conducted by Milton's Herbal Magic Weight Loss and Nutrition Centre.

This month, the local centre will be joining Herbal Magic locations across Canada by supporting a women's shelter.

Along with the Acton and

Georgetown centres, the Milton Herbal Magic wants to support Halton Women's Place by collecting money and asking the public to donate 'nurture items'.

These items include toilet paper, Kleenex, paper plates, paper cups and pillows, which are badly needed by shelters.

The items can be dropped off at Herbal Magic, 15 Martin St., unit 5.

November 25 will mark the

International Day for the Elimination of Violence Against Women, a global effort to call attention to domestic violence.

In a one-year period from 2003 to 2004, almost 100,000 women and children checked into shelters for abuse victims across Canada.

Fifty-six per cent of women entering shelters are admitted with their children, and the majority of those kids are under 10 years old.

With the holidays approaching it is important to remember that wrapping paper and gift basket wrap (cellophane) cannot be recycled. You may want to consider giving gifts where the wrapping can be reused or recycled like placing them in reusable bags or making your own wrapping paper by decorating craft paper. You may also want to give gifts that require no wrapping at all, such as donations to charities or tickets to the performing arts.

Consider the 3Rs - reduce, reuse, recycle - during this holiday season.
