'Parties and Projects for the Holidays' for more suggestions.

Nothing may be more evocative of Christmas than the aroma of gingerbread baking in the oven. For those who are looking for something different, we have 'Making Great Gingerbread Houses: delicious designs from cabins to castles, from lighthouses to tree houses.' The 'Gingerbread Book' has patterns for houses, an entire village, ornaments and gingerbread people. Bring more fragrance into your home with 'The Scented Christmas,' which has ideas for a multitude of aromatic projects including Advent calendars, wreaths, decorations and wrapping paper.

If you're a knitter looking for suggestions for hand knitted projects, the library has 'Holiday Knits: 25 great gifts from stocking to sweaters,' which has patterns for fuzzy ornaments and festive stockings. For more ideas try 'Handknit Holidays: Knitting Year-Round for Christmas, Hanukkah, and Winter Solstice.'

Are you searching for ideas to keep the children occupied? The library has a fabulous selection of Christmas craft books for children. Try 'Trim a Tree,' which has instructions to create decorations and ornaments for eight festive theme trees. There's even a pet tree with treats for the family cat or dog and an outdoor tree for the birds. 'Santa's Sackful of Best Christmas Ideas' has creative suggestions for making centrepieces, a nativity scene, cards, mobiles and games. Take a peek at 'Christmas Origami,' which has wonderful ideas for paper chains, tree decorations, party hats and more. Then there's our personal favourite — 'Snowflakes for all Seasons', with wonderful patterns for making fabulous snowflake decorations.

For these and other selections, drop into Milton Public Library for a visit or check our on-line catalogue at mpl.on.ca. Happy crafting!
