mdhf
Milton District Hospital Foundation
2006 Buy a Bulb Program
"We Believe" Campaign

Your generosity has helped care for thousands of people over the past twenty six years. You have provided Milton District Hospital (MDH) with the medical equipment and environment that are vital in ensuring the expanding community of Milton continues to receive state-of-the-art healthcare. The successes behind ALL of our initiatives are because of YOU.

Your financial support and efforts on behalf of MDH over the past twenty-seven years has truly inspired us. You are truly "angels" who believe in bringing health and hope to others. You have shared our dream, inspired the community and created a reality.

As you may be aware, in 2003, as a continuation of the Buy a Bulb Program, we introduced the "We Believe in Angels" campaign. Since that time three pewter angels have been introduced, the Angel of Dreams, the Angel of Friendship and last year the Angel of Celebration. To date the Buy a Bulb Program has raised an astonishing \$900,000 for the Milton District Hospital.

This Christmas we are giving our past, present and future contributors the opportunity to complete or start their set either for themselves or a beloved family member or friend. Our goal is to inspire the community to support MDH through programs such as this and to reach the \$1,000,000 milestone through our Christmas campaigns.

This year the funds raised by the Buy-a-Bulb Program will be used to purchase an **Endo Cleaner** for the Central Sterilization Department (CSD). This instrument is vital to clean and disinfect the colonoscopes that are used in colonoscopy procedures as well as gastro scopes used for gastroscopies. This important instrument costs \$52,041.

As part of your donation coloured lights will be lit on our **Tree of Caring**. As in past years, a special **Tree of Memories** will be lit with twinkling white lights to honour those who are no longer with us. Donors remembering a loved one by donating to the Tree of Memories will receive their choice of a special keepsake ornament.

We would be honoured if you, your family and friends would join us for our annual **Tree Lighting Ceremony**. It's a joyous occasion and our opportunity for us to say thank you. Come join us as we commemorate the Holiday Season, as well as the many other celebrations that make our community unique.

This year's celebration will take place on **Tuesday, December 5th at 7:00 P.M.** in the lobby, and on the front lawn of the Milton District Hospital. The evening will consist of entertainment by the **Milton Choristers** and as a special bonus the **Adoramus Children's Choir** will be joining us for this festive occasion. Afterwards please join us for refreshments on the front lawn of the hospital.
