ROXUL is a division of Rockwool International, the world's largest producer of mineral wool insulation. As part of our continued growth in North America, we are currently searching for talented and energetic individuals to join our organization with a view to further career development. We have the following **entry level** position available...

Sales/Business Trainee New Graduates

Located in Milton, Ontario, we are seeking a recent graduate with a background in business, marketing or building science. This is an opportunity to grow as we expand our North American operations. Starting in our customer service department, you will learn the business from the ground up. Your personal qualities include drive, initiative, and enthusiasm and you enjoy a challenge and thrive in a team environment. Fluency in French would also be an asset.

We offer a competitive salary and benefits package along with the opportunity to join a progressive, international organization. Please apply in writing, by November 24th to:

Human Resources, ROXUL Inc.,
551 Harrop Drive, Milton, ON
L9T 3H3 Fax: (905) 878-8077
e-mail: jobs@roxul.com

We appreciate your interest and thank all applicants but only those under consideration will be contacted.

S&C Electric Canada Ltd. is a recognized leader in the development and manufacture of innovative electric power switching and protection products for the power industry.

Mechanical Technician

The Person:

The successful candidate is a hands-on and creative individual who thrives on challenge and aims to be an integral part of a highly-skilled manufacturing facilities group.

A College Diploma in Mechanical Engineering, Tool Design or a related field plus basic knowledge of Electrical, Hydraulic, Pneumatic and Assembly processes is required.

The Position:

Requires day-to-day troubleshooting with respect to S&C's manufacturing processes and equipment.

Experience using Windows-based software (Microsoft Word, Excel and Outlook) is essential. Knowledge of Computer Aided Design (CAD), PLC programming and Oracle would be considered an asset.

The candidate should be well-disciplined in working with a wide range of personality types (ranging from assemblers to management levels).

S&C offers a competitive compensation and benefit package with real opportunities for personal development.

For a confidential consideration, qualified candidates should forward their resume with a covering letter to:

Director Human Resources
S&C Electric Canada Ltd.
90 Belfield Road
Etobicoke, Ontario M9W 1G4
Or E-mail: dpatten@scelectric.ca

We thank all applicants in advance for their interest and advise that only those candidates to be interviewed will be contacted.

We are an equal opportunity employer
