What Christmas Means to Me

Guardian Angels School
Grade 2

What Christmas means to me. To me Christmas means when Jesus, our Lord was born. It is also about being joyful and giving love and gifts to the family, friends and the poor.

ANTHONY ABESAMIS

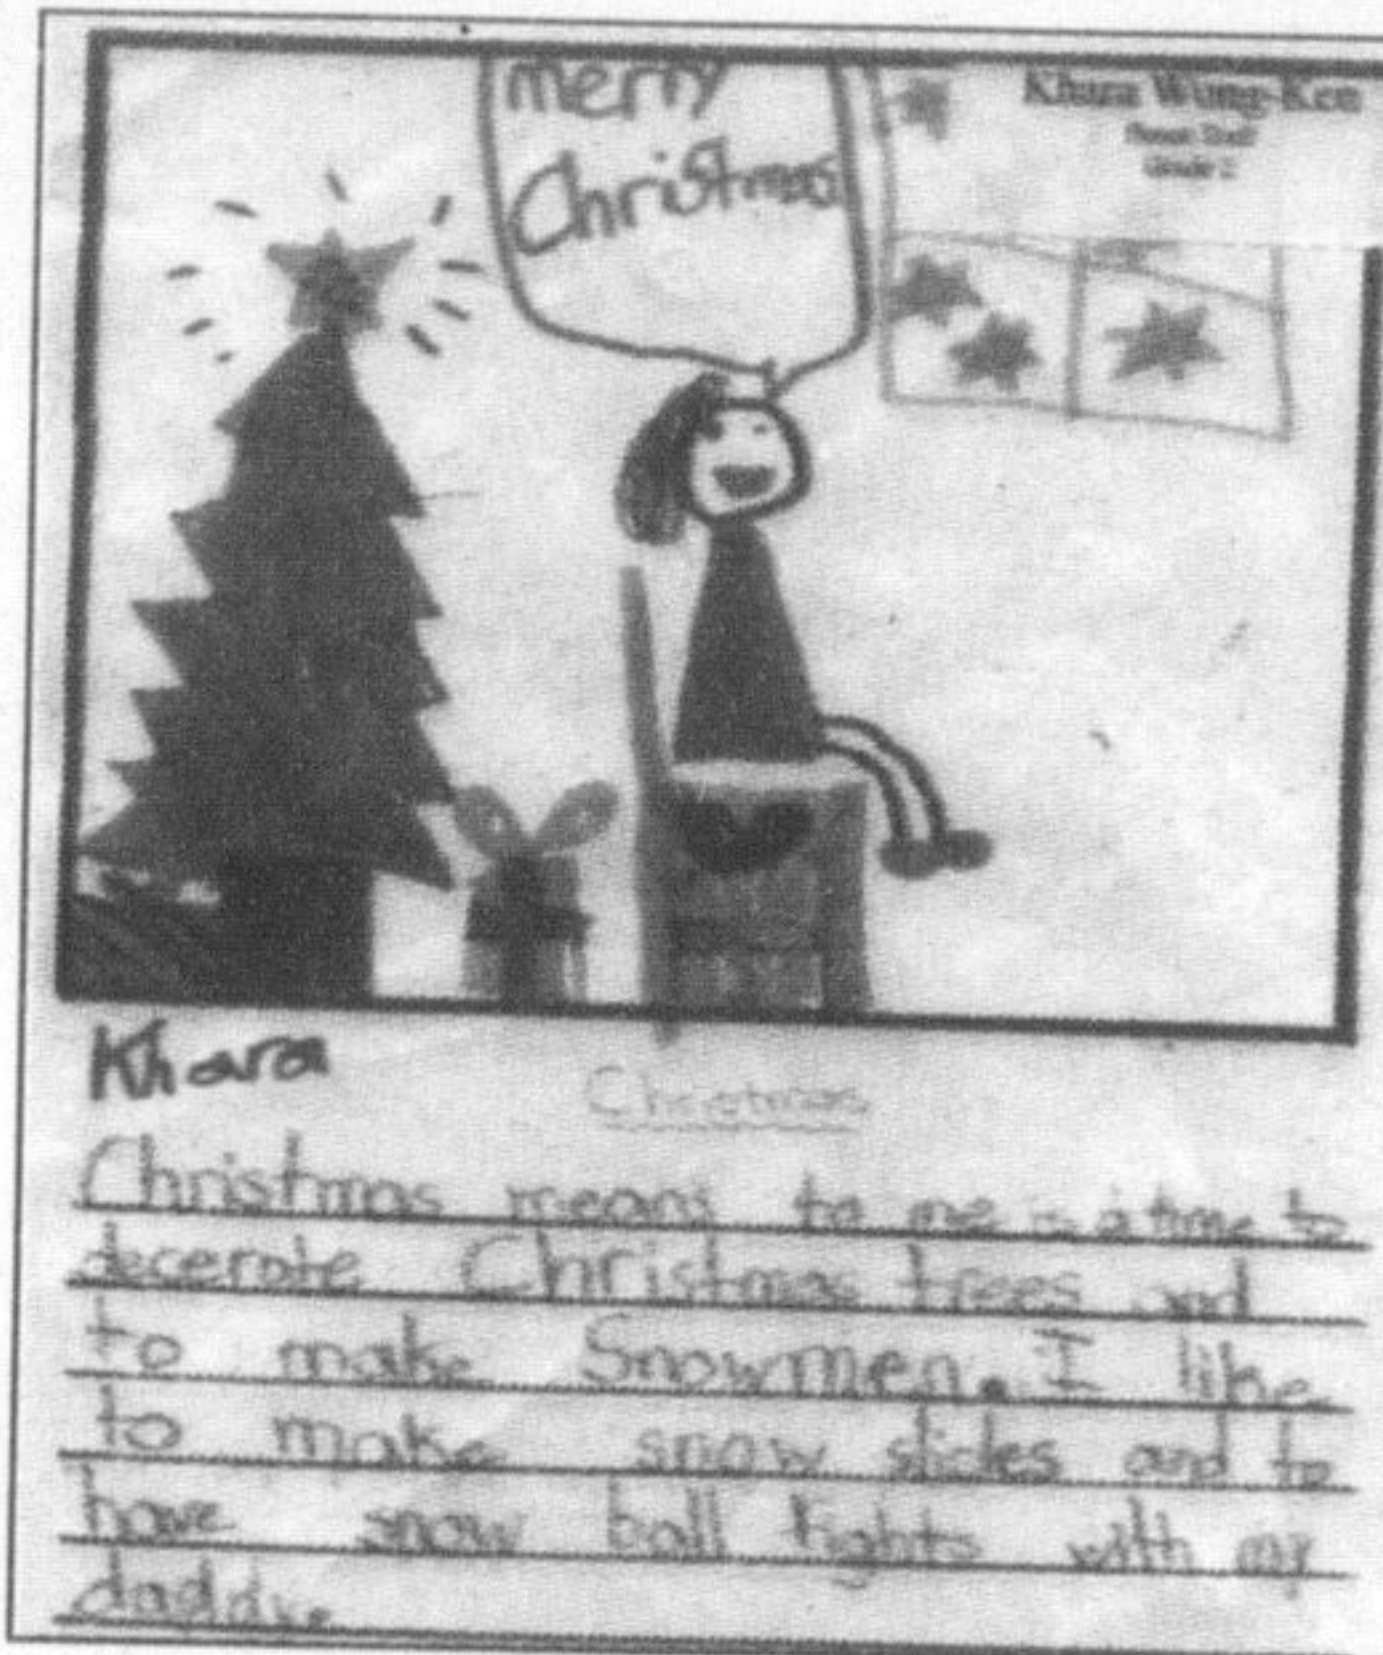

Christmas means to me, love, care and joy. You get presents and Christmas is a special time. Also because that was when Jesus was born. Santa you are my best friend.

HOPE CORNACCHIA

What Christmas means to me is love and care because God was born. What it means to me is Christmas is the best because people dress up and they pray to Jesus and God and they are in heaven. They pray everyday and that is good. The least that Christmas means to me are the presents, that is the end.

CHANICE FRATER

What Christmas means to me is happiness. I like to think as if Christmas is the best day of my life. Don't you love when

snowflakes fall on your tongue and you go sledding and you feel the wind blow in your hair? That means Christmas is almost here. That is what Christmas means to me.

MICHAEL GIANNATOPOULOS

Christmas is a special time of year because that is when Jesus was born.

EMMA GMASEL

What Christmas means to me. Long ago our Lord Jesus Christ was born by Mary in Bethlehem. You wonder, how did Mary know she was going to have Jesus? Mary was praying

alone in her house and then a flash of light came and it was an angel. The angel said, "Do not be afraid. I have good news."

LAURYN HARTJES

Christmas is a very special time because Jesus is born. Christmas is about sharing and celebrating. It's also being nice to one and other. Christmas lights remind me of the big star when Jesus was born. The presents remind me of the three Kings who gave Jesus presents. The angels remind me of when the angel told Mary she was going to have a baby and she will name him Jesus.

CHARISSE IBAY

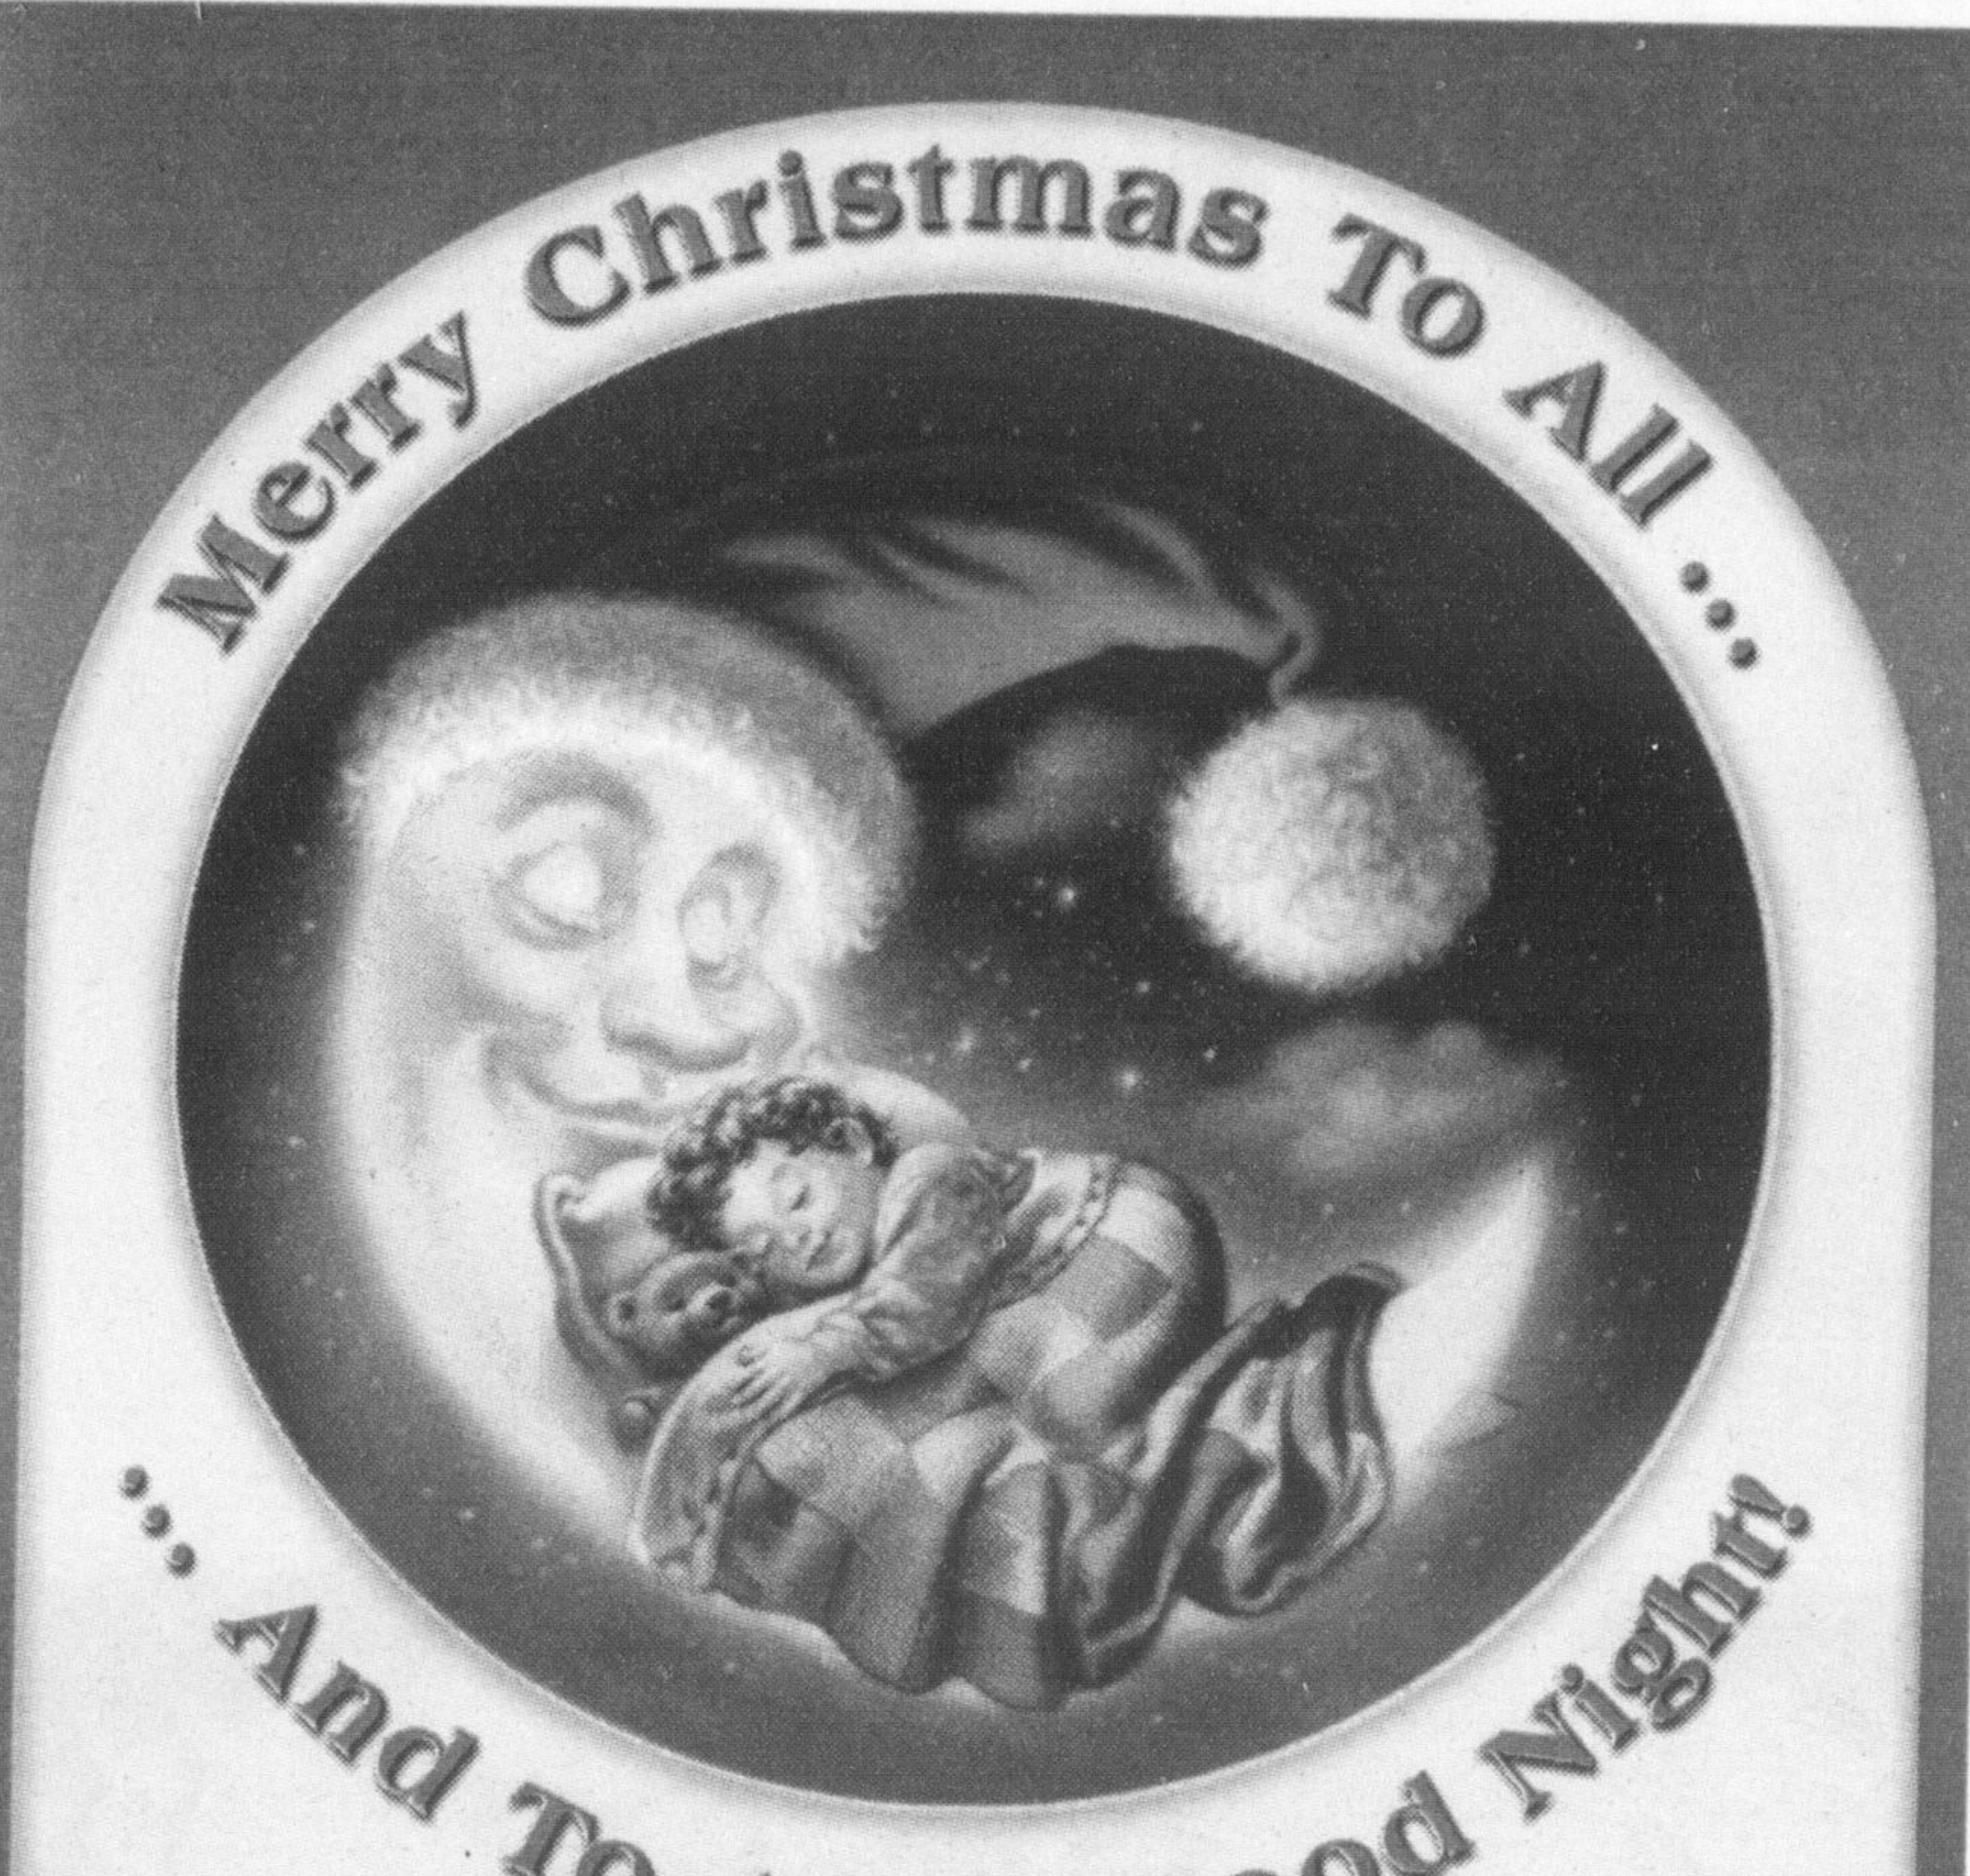

What Christmas means to me. I think Christmas is a time to share. It's also about the birthday of Jesus Christ.

LILY JOEDICKE

What Christmas means to me. It means when people get their presents, like clothing and toys. It means when it is Jesus' birthday. It means when we go to church. It means gifts. It means when people hug Santa Claus at the mall.

DANIEL KASSIR
