

What Christmas Means to Me

**Guardian Angels School
Grade 4**

To me Christmas means many things. It means waking up to the happiest day in your life, looking out the window and seeing bright snow covering outside in a coat of white. I see the beautiful decorations and the shining Christmas tree. Gazing at the colourful gifts under the shimmering Christmas tree, it's so suspenseful to gaze at the gifts. I feel so eager for Christmas day. I love the taste of warm hot chocolate on a cold Christmas day and smelling the delicious Christmas dinner, chicken, soup and cake. Just the thought of it makes my mouth water. It means smelling the delicious cookies as they bake in the hot oven. On Christmas Eve night I put out the mouth watering cookies, and freezing cold milk for Santa Claus. I hear the Christmas carolers singing Jingle Bells and Deck the Halls. I hear the jingle of Santa's sleigh, when I hear that I know Christmas is close and I get so excited! I love the feeling of Christmas morning when I wake up. I am so excited, I run downstairs to see if Santa has come. But most of all the best part is being with my family, and knowing they are here with me. I also remember that Jesus was born on Christmas day and I wish him a happy birthday. That's what Christmas means to me.

AMANDA BOCKAJ

To me Christmas means many things. It means having fun together with your families and playing with your brothers and sisters. It means sitting around a fireplace drinking hot chocolate with everyone you love. It means going sledding or skiing with your family and friends. It means spending time with your family and being happy that you're all together on that white snowy day. It means being thankful for everything you have. It means having a big turkey dinner remembering the special little boy who was born that night to change the world and make peace throughout the lands and waters. It means waking up to the winter surprise and enjoying the lights around the houses.

MADELYNE LEDREW

To me Christmas means many things. It looks like beautiful Christmas trees with lights shining bright. It sounds like singers singing Christmas carols and the jin-

gle bells of Santa's sleigh. It tastes like yummy candy canes and hot chocolate, yum, yum. It feels like cold snow on my little hand. But most of all it reminds me of Jesus who was born on Christmas.

MONTANA KINGSBURY

To me Christmas means many things. It means the sound of Christmas carols singing and church bells ringing. It means the taste of hot chocolate, candy canes and marshmallows and the smell of Christmas trees. But most of all it reminds me of the special child that was born on Christmas day. That special child is Jesus.

MELANIE GROZDANIC

Christmas is everything to me. It means bells ringing, people singing carols, and decorated houses. On Christmas Eve I feel so good, happy, cold and sometimes sad. It smells like candy canes on the tree, hot cocoa with marshmallows. It tastes like the foods that all moms make like turkey. It looks like snowy outdoors, and lights on the Christmas tree. The most important thing I love about Christmas is that the baby Jesus was born so he came to save us. That is what Christmas means to me.

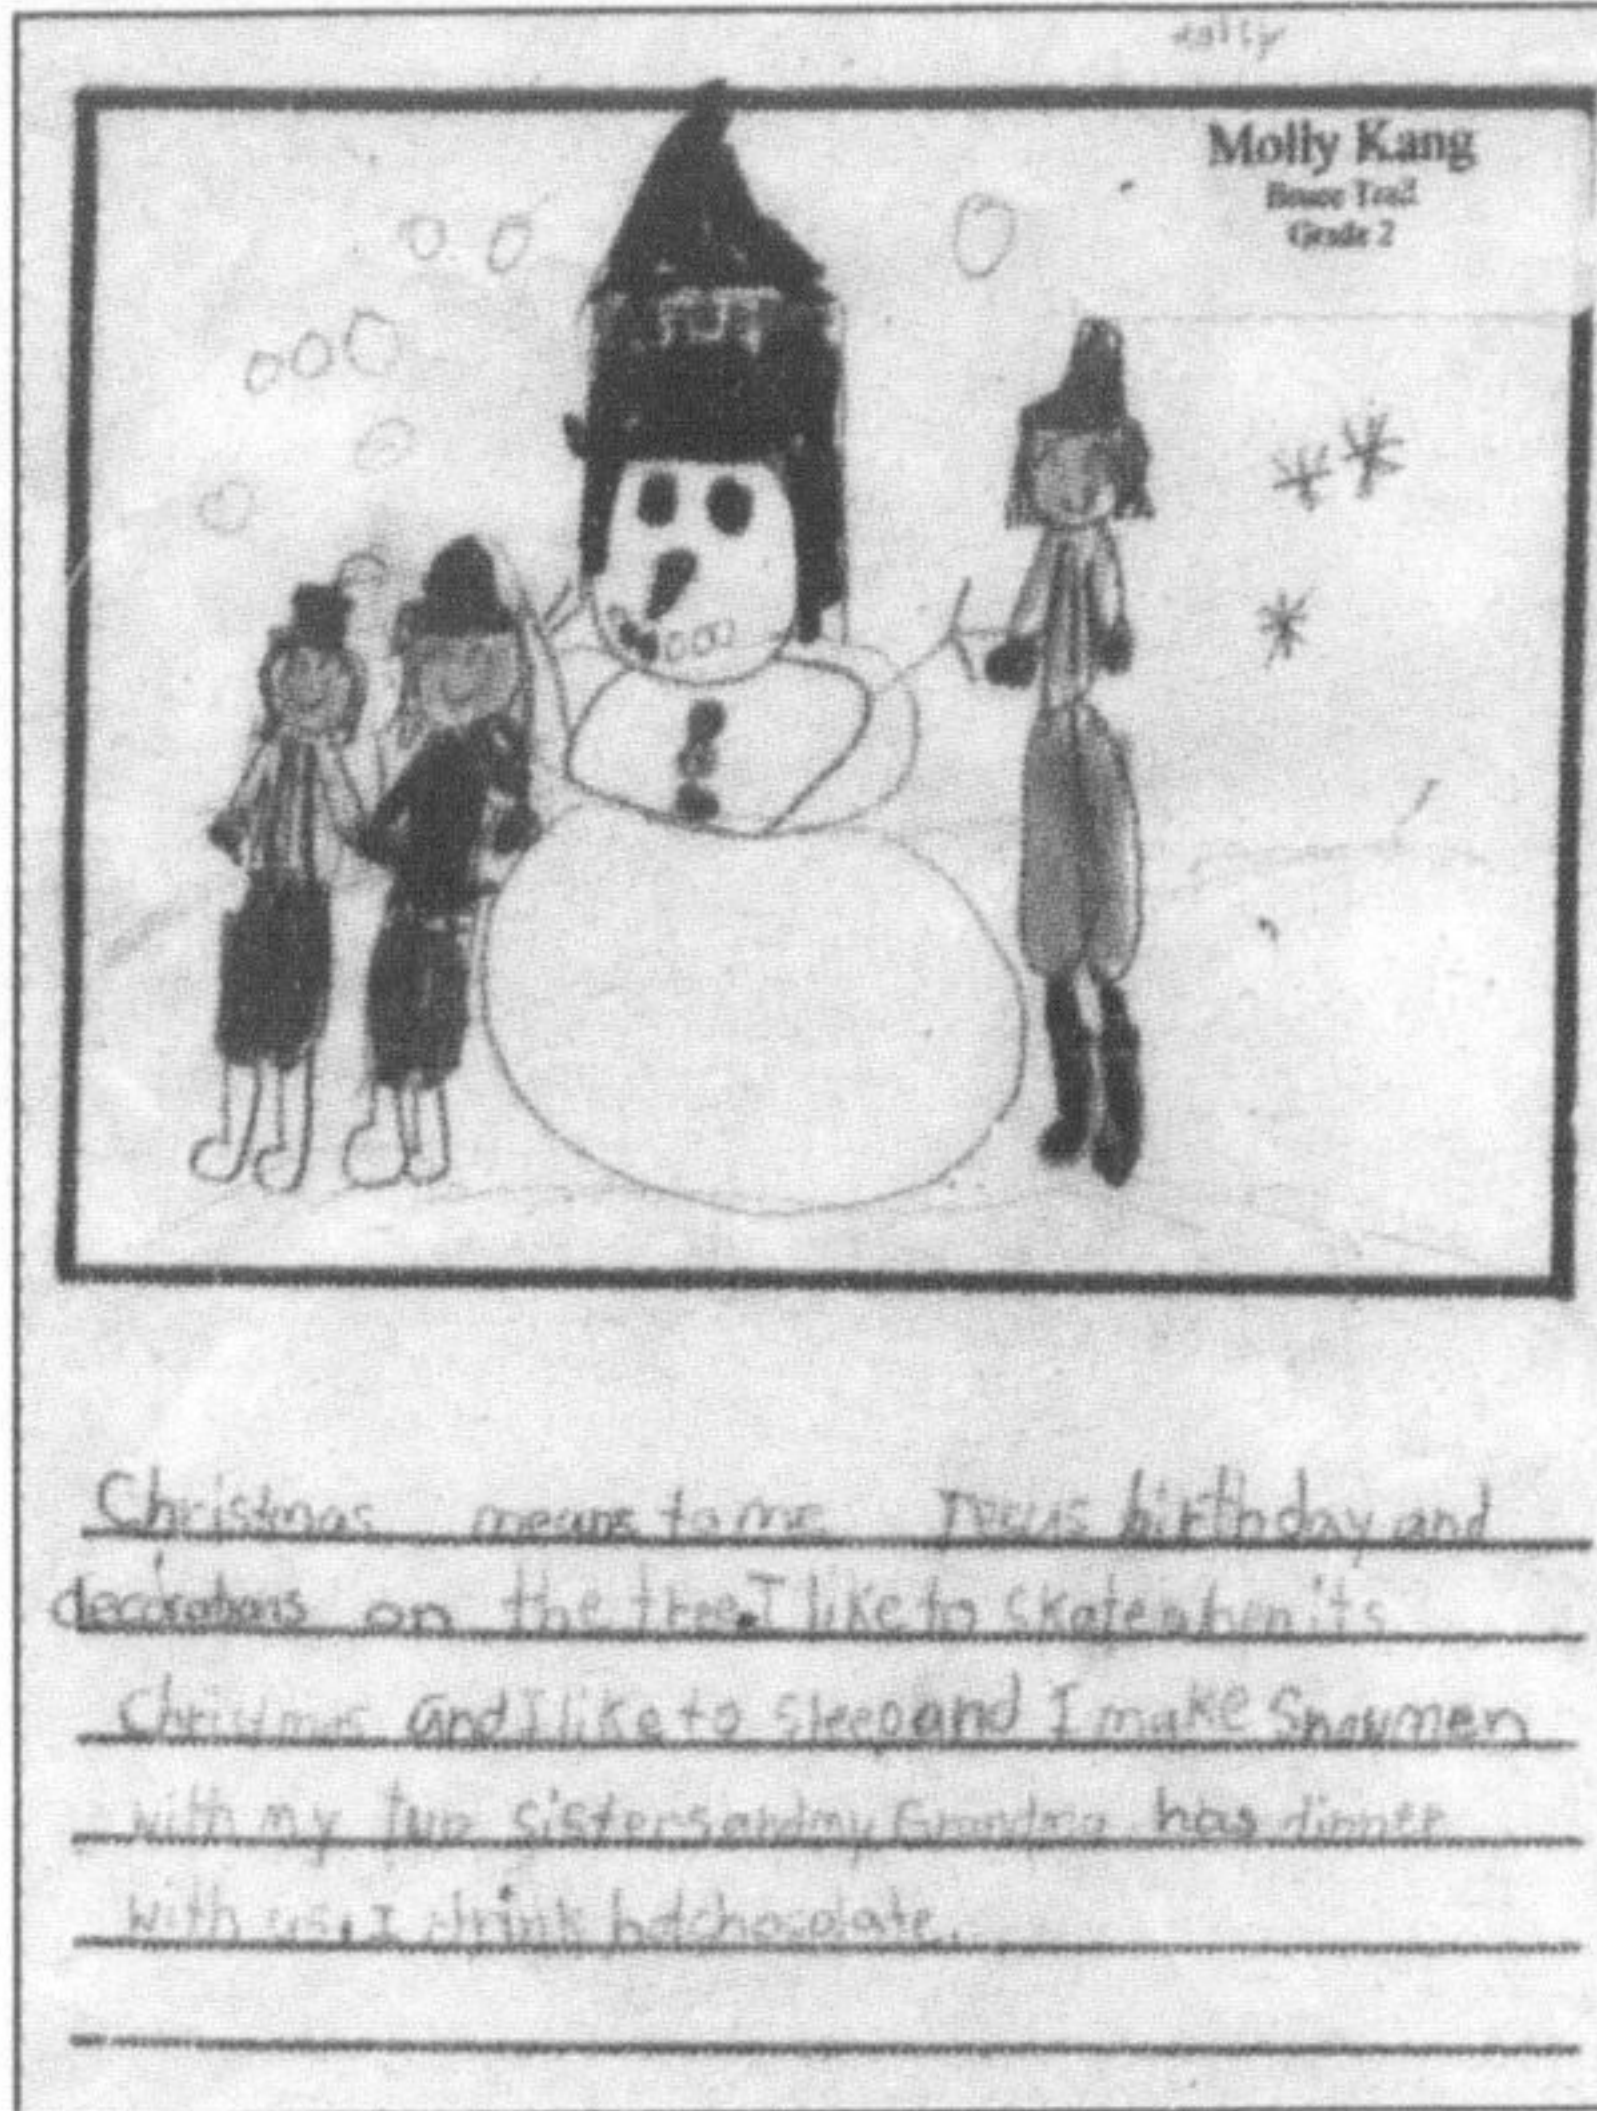

ANDREA ACOSTA

I think Christmas means the snow falling down from the sky. It is a time for families to gather together on Christmas Eve. It means Santa Claus coming at night. I know that Jesus is born on Christmas. Also we get presents and candy and we get joy and love in our hearts. Christmas is my favourite holiday.

ANDRE ROUSSEAC

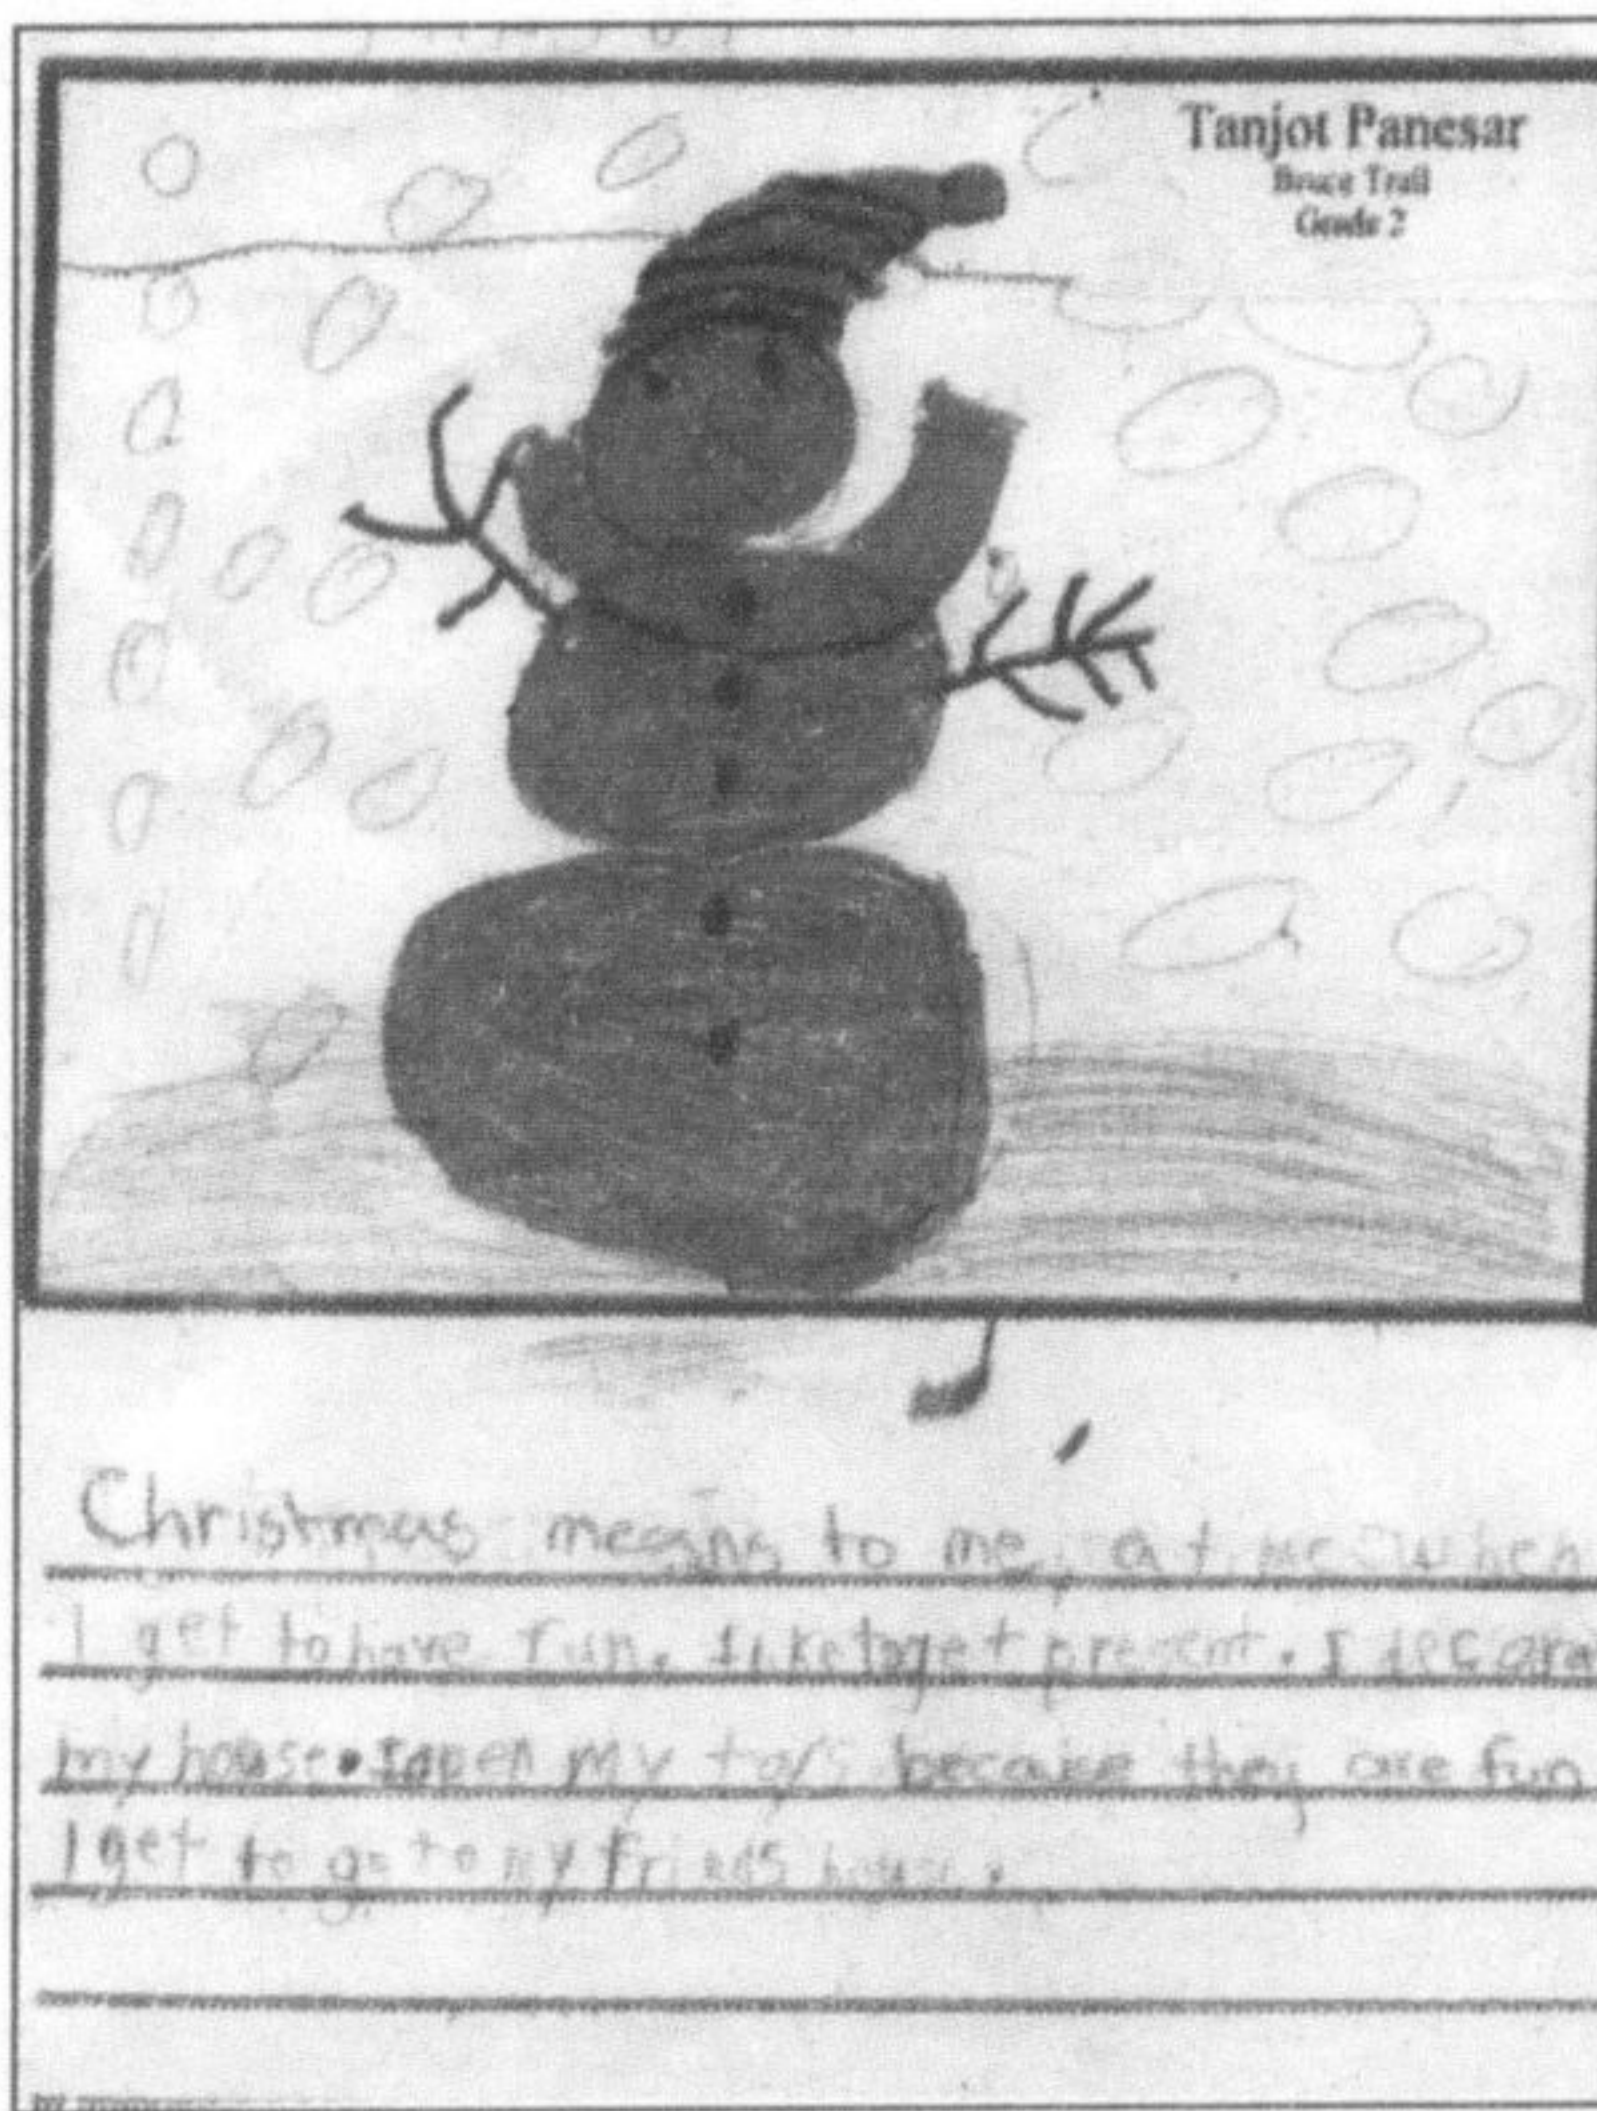

To me Christmas means many things. It means feeling the nice breeze on your face. The sound of snow just sounds like crunchy ice melting away. The taste of air is cold. Burr! Your mouth feels so cold. Also I love candy canes melting and tasting the flavour in my mouth. I love hot chocolate with marshmallows just warming up your lips and mouth. I love the Christmas lights and Christmas trees just shining away with all of the lights on them. I also like the angels at the top of the tree. But, I love how all this stuff about Christmas that I said is all part of baby Jesus' birthday.

GABRIELA VIEIRA-TROKE
