

What Christmas Means to Me

Sam Sherratt
Grade 2

Christmas is a time for giving. On Christmas Eve I go to bed and put out the milk and cookies. It is the best time! In the morning, I go and wake my mom and dad up. We open our presents and play with our toys for the day.

DREW STEPHENS

Every Christmas Eve I leave cookies and milk for Santa, and carrots for the reindeer. Then I go to bed and wait for Santa Claus to come. When it's morning, I tip toe to my sister's room and jump on her, then I go into my other sister's room and jump on her. Then very, very quietly I tip toe to my mom and dad's room and jump on them! Then we go into the living room to open presents. After that, we go to my Grandmas and Grandpas for dinner, after dinner we open the presents from them, and after all that, we all go home. Christmas is my favourite holiday.

EMILY GOODENOUGH

I open presents Christmas morning. Santa Claus comes Christmas Eve. Mommy, Daddy, Fraser and I decorate the tree.

HEATHER WHITEHOUSE

Every Christmas we decorate my home and my Christmas tree, and then I give Santa cookies and white milk. Rudolph gets carrots, and his friends get carrots too. It's special because Santa gives me presents. I like having turkey dinner with my family.

BRANDON MARTIN

On Christmas morning we wake up early. My dad reads a scripture of the Bible then we open our presents, then we eat our breakfast and continue our day. My grandparents come over and we have a turkey dinner. I feel happy that we do that.

CALEB CORMIER

Every Christmas Eve Santa Claus brings presents. Rudolph's red shiny nose helps Santa see at night. I wake up in the morning and open presents and play with them. Then my parents wake up. I was waiting for them. Then I play monopoly with my family. The end.

JOEY LOWRIE

Christmas means to me that Santa Claus gives presents to me and he eats my cookies. I dream about Santa Claus giving presents and eating cookies. On Christmas day we make a snowman.

KUNCHOK TENZING

Every Christmas Eve, we decorate my Christmas tree and put out chocolate chip cookies and white milk for Santa Claus. This year I am going to put out carrots for Rudolph and all his

friends. It is also Jesus' birthday. I dream on Christmas. I dream about Santa and Rudolph. I also give presents to my family and they give presents to me too. It's better to give than receive.

ESSENCE FOSTER-RIFE

On Christmas Eve I put out carrots and muffins for the reindeer and Santa then I go to bed. Christmas morning, I wake up and jump on my bed then I jump off my bed and I go out of my room and wake up my mom, dad and Holly. I say to Mom, "Can we go downstairs?" We go to the sitting room and open presents and cards. Christmas day my Papa, Gran and family have turkey and we have ice cream. We watch TV and I go to bed.

LAUREN PENMAN

Every Christmas Santa brings all the kids toys everywhere. We give Santa cookies with milk and give the reindeer carrots. I hope there is a lot of snow at

Christmas. I feel very good about Christmas time.

COLE PERIN

The word Christmas means King of Christ. Christmas is not about presents at all. It is about Jesus. Also it is about giving and sharing with others and your family. Christmas is a happy time.

BENJAMIN MORA-DAVISON

On Christmas Eve, children make snowmen and they go on trips. They open presents and Santa comes on Christmas Eve night. Reindeers ring like a bell and Santa comes and delivers presents each Christmas, each year.

AREEBAH MUHAMMAD

I know on Christmas it is snowy. I know that Santa is bringing presents. I wake everybody in my family and together we unwrap our presents and stockings. We decorate our tree.
