# What Christmas Means to Me

Sam Sherratt  
Grade 3

What Christmas means to me is when we laugh and share. When you hear old Saint Nick coming down the chimney, but make sure you don't leave the fireplace on or else you'll be in big trouble. Christmas is my favourite season in the whole wide world. I don't know about you, but it's my favourite. Have you ever thought about the magic that happens on Christmas Eve? I sure

have! It feels like a little bit of everything. This is what Christmas means to me.

**ALLIE WHITELEY**

What Christmas means to me is giving to others and having fun enjoying the nice Christmas turkey, opening cracker jacks and enjoying the fire. I like reading a nice Christmas book and then going to bed dreaming wonderful dreams. You wake up and thank your family for a wonderful Christmas. Then you thank Jesus for making Christmas real and being nice and good.

**CALLUM FISHER**

Christmas is a time to remember when Jesus was born. Christmas is to remember Jesus and God. Santa is not what Christmas means. It is not about presents or decorations. Not all families celebrate Christmas. My family does. You do not need to put up a tree or decorate your house, all you need to do is remember God and Jesus, and when Jesus is born. Christmas is to spend time with your friends and family. All you need to do is remember these five things about Christmas:

1. Remember God and Jesus
2. Be nice and kind to others
3. Remember when Jesus was born
4. Spend time with others
5. Remember my story

Christmas means to me a time to share, care or even cheer. It's not just Christmas, it could also be Hanukkah. Christmas is rare, it only happens once a year. I know it's not just about opening presents at five in the morning, it's special to me because it's a time for world peace.

**JULIA ROWE**

Christmas means that baby Jesus was born. It's not just about presents. Baby Jesus was born in Bethlehem, He was born in a stable with a lot of barn animals. It's not just about Santa Claus coming and giving us presents. It's about spending time with your family and having fun. Then on Christmas day, I get up, I wake up my Mom and she gets my stocking, I look in it then I jump up and down then I go back to bed. At ten or eleven I wake up again and I wake up my Gramma and uncle, then eat and then open my presents really fast.

**BREANNA MACLEAN**

Christmas means you get to spend time with your family and friends. It also means you have to remember Jesus and the good things he did for us. I celebrate Christmas, but some people don't celebrate Christmas, and that doesn't make them any different. So what if they don't celebrate Christmas or other things like that? They may celebrate Hanukkah or Eid. Christmas means different things to different people. We should celebrate our differences! Have a happy holiday, no matter what you celebrate. Merry Christmas!
