S4

Looks small. Acts big!

In answer to the growing demand for smaller vacuum cleaners, Miele is proud to introduce a new range of compact models. Lightweight, powerful and stylish, the new S4 series have everything you'll need to eliminate dirt and allergens from your home. And because of their small size the vacuums are as easy to carry as they are to store.

See us for a demonstration.

Anything else is a compromise

THE VACUUM STORE

Merry Christmas Milton Dealer Tag
and a Happy New Year!
