IN THE MATTER OF THE ONTARIO HERITAGE ACT, R.S.O. 1990, c.O. 18, as amended, AND IN THE MATTER OF the lands and premises at the following municipal address in the Province of Ontario.

#### NOTICE OF INTENTION TO DESIGNATE

TAKE NOTICE THAT THE Council of the Corporation of the Town of Milton intends to designate the exterior at the following municipal address as a property of cultural heritage value or interest under Part IV of the Ontario Heritage Act, R.S.O. 1990, c.O. 18, as amended.

**Municipal Address:**  
 151 Robert Street, Milton, Ontario  
 (formerly 167 Mary Street)

#### REASONS FOR THE PROPOSED DESIGNATION:

John Wallace Jr., whom with his wife Mary built 167 Mary Street, and has some significance as a hotelkeeper in nineteenth century Milton.

151 Robert Street was recently relocated (June 2006) from its original site at 167 Mary Street as part of the Town Hall Expansion process. After the relocation, a garage and rear addition were added to the original structure. Also, the building, which originally had no basement, has been set on high foundation walls to allow windows into new rooms at the basement level.

This building is an outstanding example of the Ontario Cottage Style. It may be the earliest example of this style in urban Milton. The original cottage is a one storey rectangular box capped with a hip roof. The front of the roof is articulated with a gothic gable centred over the entrance. The house is a wood frame structure clad with wood siding (the siding has been left intact beneath new clapboard siding).

The significant features on the exterior of this cottage were preserved and enhanced as part of the relocation process. The porch with its tall, scrolled brackets and fretwork frieze has been restored as has the entrance door with its twin arched lights and Victorian red stained glass transom light patterned in a floral and geometric design. The original wood, double-hung windows with 2 lights per sash have been kept in place and full wood storm windows consistent with the original style have been added. The window trim replicates the original high rectangular crown and wide jamb trims.

Additional details in keeping with the house's style have been added as part of the renovation process. These would include new eave brackets, a new gothic window in the gable and a new side porch matching the original front porch.

ANY PERSON MAY, within thirty (30) days of the publication of this notice, send by registered mail or deliver to the Clerk of the Corporation of the Town of Milton, notice of his or her objection to the proposed designation together with a statement of the reasons for the objection and all relevant facts. If such a Notice of Objection is received by **January 22, 2007**, the Council of the Corporation of the Town of Milton shall refer the matter to the Conservation Review Board for a hearing.

DATED AT MILTON this 22nd day of December 2006.

Troy McHarg, Town Clerk  
 The Corporation of the Town of Milton  
 43 Brown Street  
 Milton, Ontario, L9T 5H2

## Last chance to donate — please give

For yet another year, The Champion's Christmas Bureau Fund has surpassed the \$20,000 mark — and there's still one day left to contribute.

As of press time yesterday, the total collected for the

Salvation Army was \$20,634. That's still short of the \$25,000 goal, but organizer Sheena Cameron said she's pleased with the outcome.

"I'm actually quite happy. I honestly didn't think we'd get to

\$20,000. And you never know what we can do (today)."

Residents can drop off money, toys and non-perishable food items at The Champion, 875 Main St. E., until 5 p.m. today.

## Remember to Recycle!

With a little extra effort, recycling saves a lot!

One ton of recycled paper saves up to 17 trees. Recycling paper, plastic and metal saves tons of garbage from being put into local landfills. These are just a few of the many reasons to recycle and use recycled products. By cutting down on waste and using more eco-friendly products, we can keep Milton and our planet a healthy, beautiful place to live.
