

Glen Eden to open this weekend

It seems winter has finally arrived at Glen Eden with the popular ski and snowboard centre open for business this weekend.

Dropping temperatures meant snowmaking equipment was working non-stop from Tuesday evening until 8 a.m. yesterday.

Saturday and Sunday from 8:30 a.m. to 4:30 p.m., two beginner runs will be open as well as the Boomerang run and Sidewinder chairlift.

The Adventure Centre for equipment rentals and tuning will also be open, as well as the Snowflake Café.

Lessons will start Monday.

"We're hoping to be fully operational next week," said Conservation Halton marketing co-ordinator Susan O'Neil.

Discover Ski and Snowboard packages will be offered this weekend for \$39.95. They include rentals, a lesson and lift ticket.

Call (905) 878-5011, ext. 221, to book a package, or for more information visit www.gleneden.on.ca.

LET IT SNOW: Glen Eden general manager Bob Harris checks out the snowmaking guns that were running at full blast from Tuesday evening to yesterday morning thanks to colder temperatures. There will be a few runs open this weekend, much to the delight of winter sport enthusiasts.

6 Costly Mistakes to Avoid Before Buying a Home

HALTON - A new report has just been released which identifies the 6 most common and costly mistakes that homebuyers make before buying a home.

Mortgage regulations have changed significantly over the last few years, making your options wider than ever. Subtle changes in the way you approach mortgage shopping, and even small differences in the way you structure your mortgage, can save or cost you literally thousands of dollars and years of expense.

Whether you are about to buy your first home, or are planning to make a move to your next home, it is critical that you inform yourself about the factors involved before you buy.

In answer to this issue, industry insiders have prepared a free special report entitled "6 Things You Must Know Before You Buy."
