

Your Invitation To Worship

Connecting!

Things that go together, work together, and often work well together:

- Hamburgers and French fries
- Peanut butter and jelly
- Salt and pepper
- Food and friends
- Birthdays and cakes
- Love and marriage

Most of these are good - very good!

Here are some famous people pairs:

- Shakespeare's Romeo and Juliet
- Sesame Street's Bert and Ernie
- The Flintstone's Fred and Wilma

- Comedy's Laurel and Hardy or Abbott and Costello

What's so great about pairs or things that go together? Just this: we were not made to go it alone in life! We need each other!

Recently, I came across this little thought and it caused me to think:

How important are you?

More than you think.

A rooster minus a hen equals no baby chicks.

Kellogg minus a farmer equals no corn flakes.

If the nail factory closes what good is the hammer factory?

Paderewski's genius wouldn't have amounted to much if the piano tuner hadn't shown up.

A cracker maker will do better if there's a cheese maker.

The most skillful surgeon needs the ambulance driver who delivers the patient.

Just as Rodgers needed Hammerstein you need someone and someone needs you.

We need one another! We need one another for support, encouragement, help, etc... At the beginning of this New Year, find someone to befriend and be a friend. That is the best way to have friends - just be one!

Even the faithful need to apply this

important truth into their lives. Jesus issued a command to His followers: LOVE ONE ANOTHER! As I have loved you, so you must love one another.

I welcome you to visit one of Milton's fine churches this week! Discover the difference that can come to your life through a warm and loving community of faith! Service times and locations are published in the Religious Directory below to help you!
