

Calendar fundraiser for baby Holly

A Halton photographer is selling a unique calendar with part of the proceeds going toward a local baby suffering from a developmental birth defect.

Jackie Patrick's 12-month 'Authentic Soul Journey Calendar for 2007' features photographs that illustrate the four elements — earth, air, water and fire — intending to create har-

mony and wholeness.

The calendar costs \$40, with \$5 from each going to Holly Taylor, Patrick's great-niece, who has schizencephaly.

To purchase the calendar or view a sample, e-mail authentic-soul@sympatico.ca or call (905) 465-5224.

In other fundraising news, students at Bishop Reding High School paid \$2 yesterday to

wear something other than their uniform.

All funds were to be donated to Holly.

Fundraising organizers have issued a Halton school-wide challenge for other schools to follow Bishop Reding's lead and hold a fundraiser for Holly.

For more information on Holly Taylor, visit www.help4holly.com.

Families sought for Habitat home build in Georgetown

Habitat for Humanity Halton (HFHH) holds an information session tomorrow for families interested in partnering with the organization to build a home.

The meeting will take place at 10 a.m. at Georgetown Alliance Church, 290 Main St. S., in Georgetown.

HFHH will be building simple,

affordable homes in Georgetown this year.

Low-income families who have lived for two years in Halton are eligible to apply.

For more information or to register for the information session, call 1-866-314-HFHH (4344) or visit www.habitathalton.ca.

Christmas Tree Collection Milton

Before you place your tree at the curb, make sure it is ready to be recycled. Please remove decorations, tinsel, bags and wires, and place your tree at the curb before 7:00 a.m. of your collection day (same day as your Blue Box collection). Please ensure Christmas trees are not frozen or buried in snow banks on your scheduled collection day.

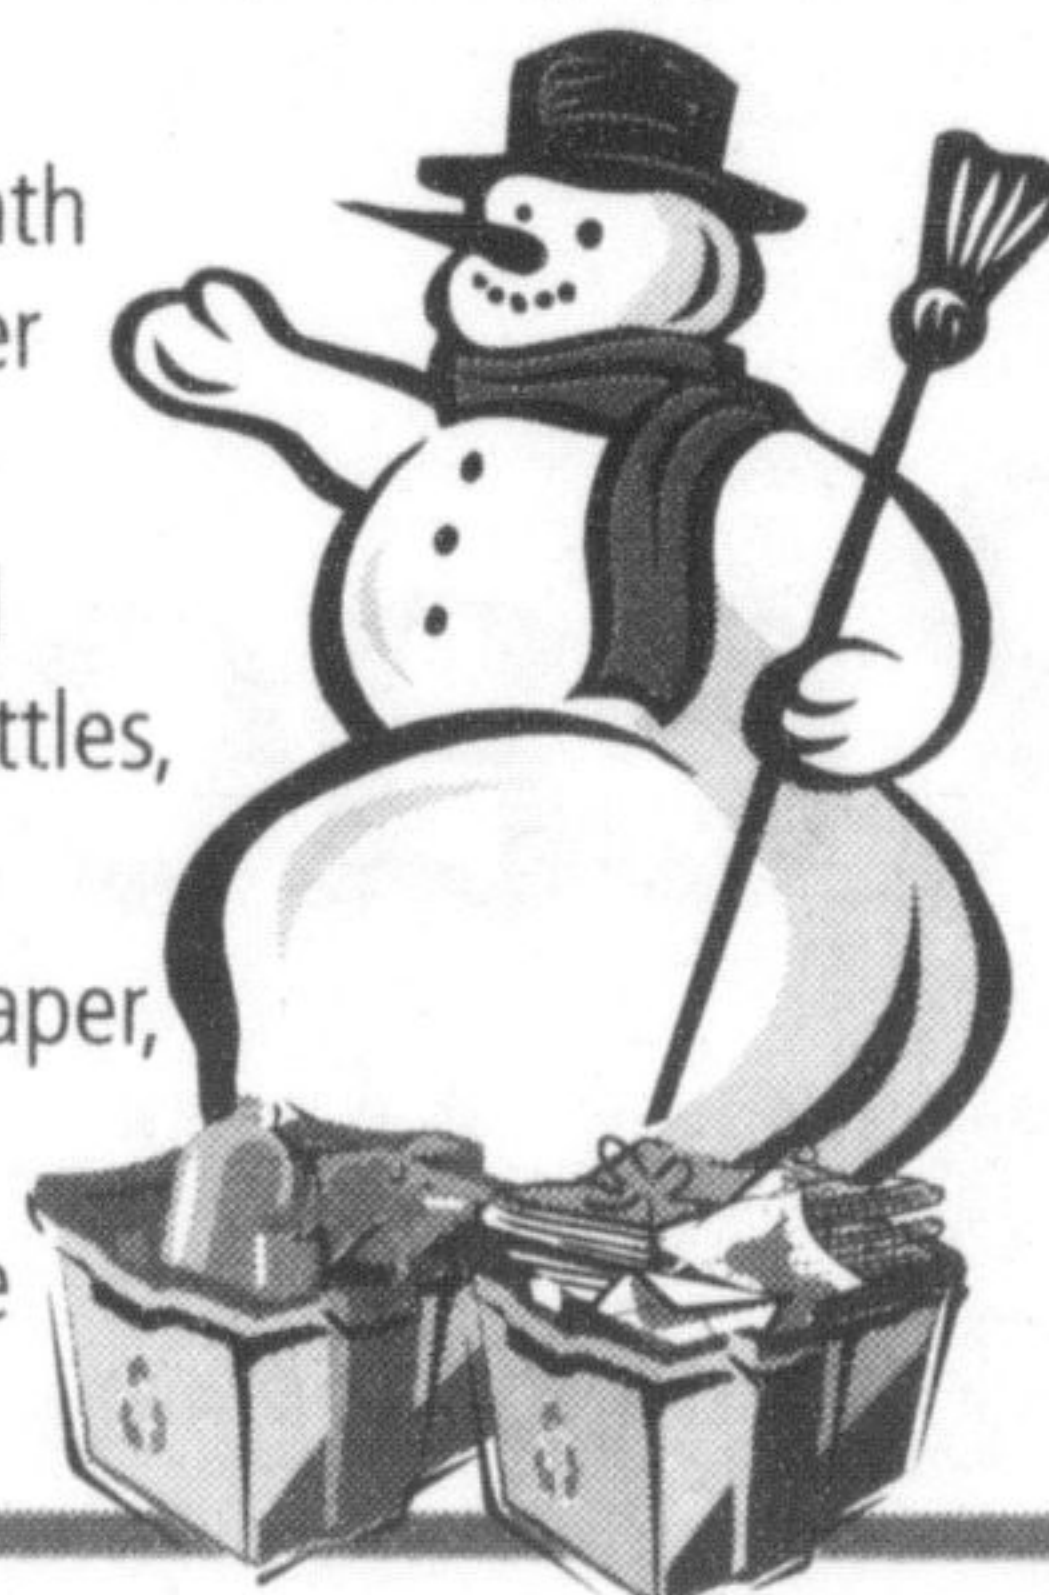

January 2007

28	29	30	31 Did you know...? <small>Christmas trees make great mulch, which is used for landscaping projects.</small>			

Look for your 2007 "Curb Appeal" Waste Management Calendar in your mailbox in January 2007.

Winter Tips for Setting Out Your Waste

- Christmas Trees will be collected beginning the week of January 8, 2007.
- Place items out for collection by 7:00 a.m. on the morning of collection day, but not before 5:00 p.m. the evening before.
- Secure your recyclables. Stack your Blue Boxes on top of one another to prevent papers from blowing away. Place heavier items on top of lighter items.
- Flatten and tie large cardboard boxes and place securely underneath or between your recycling boxes. Tie cardboard in bundles no larger than 30" x 30" x 8" (76cm x 76cm x 20cm).
- In one Blue Box, place loose glass bottles and jars, metal food and beverage cans, aluminum foil and pie plates, Styrofoam, plastic bottles, drinking boxes, and milk and juice cartons.
- In a second Blue Box place flattened corrugated cardboard, fine paper, boxboard and newspapers.
- Keep waste items clear of snow and visible to collect. Do not place items on top of snowbanks.

Halton Waste Management Calendar on its way to your mailbox

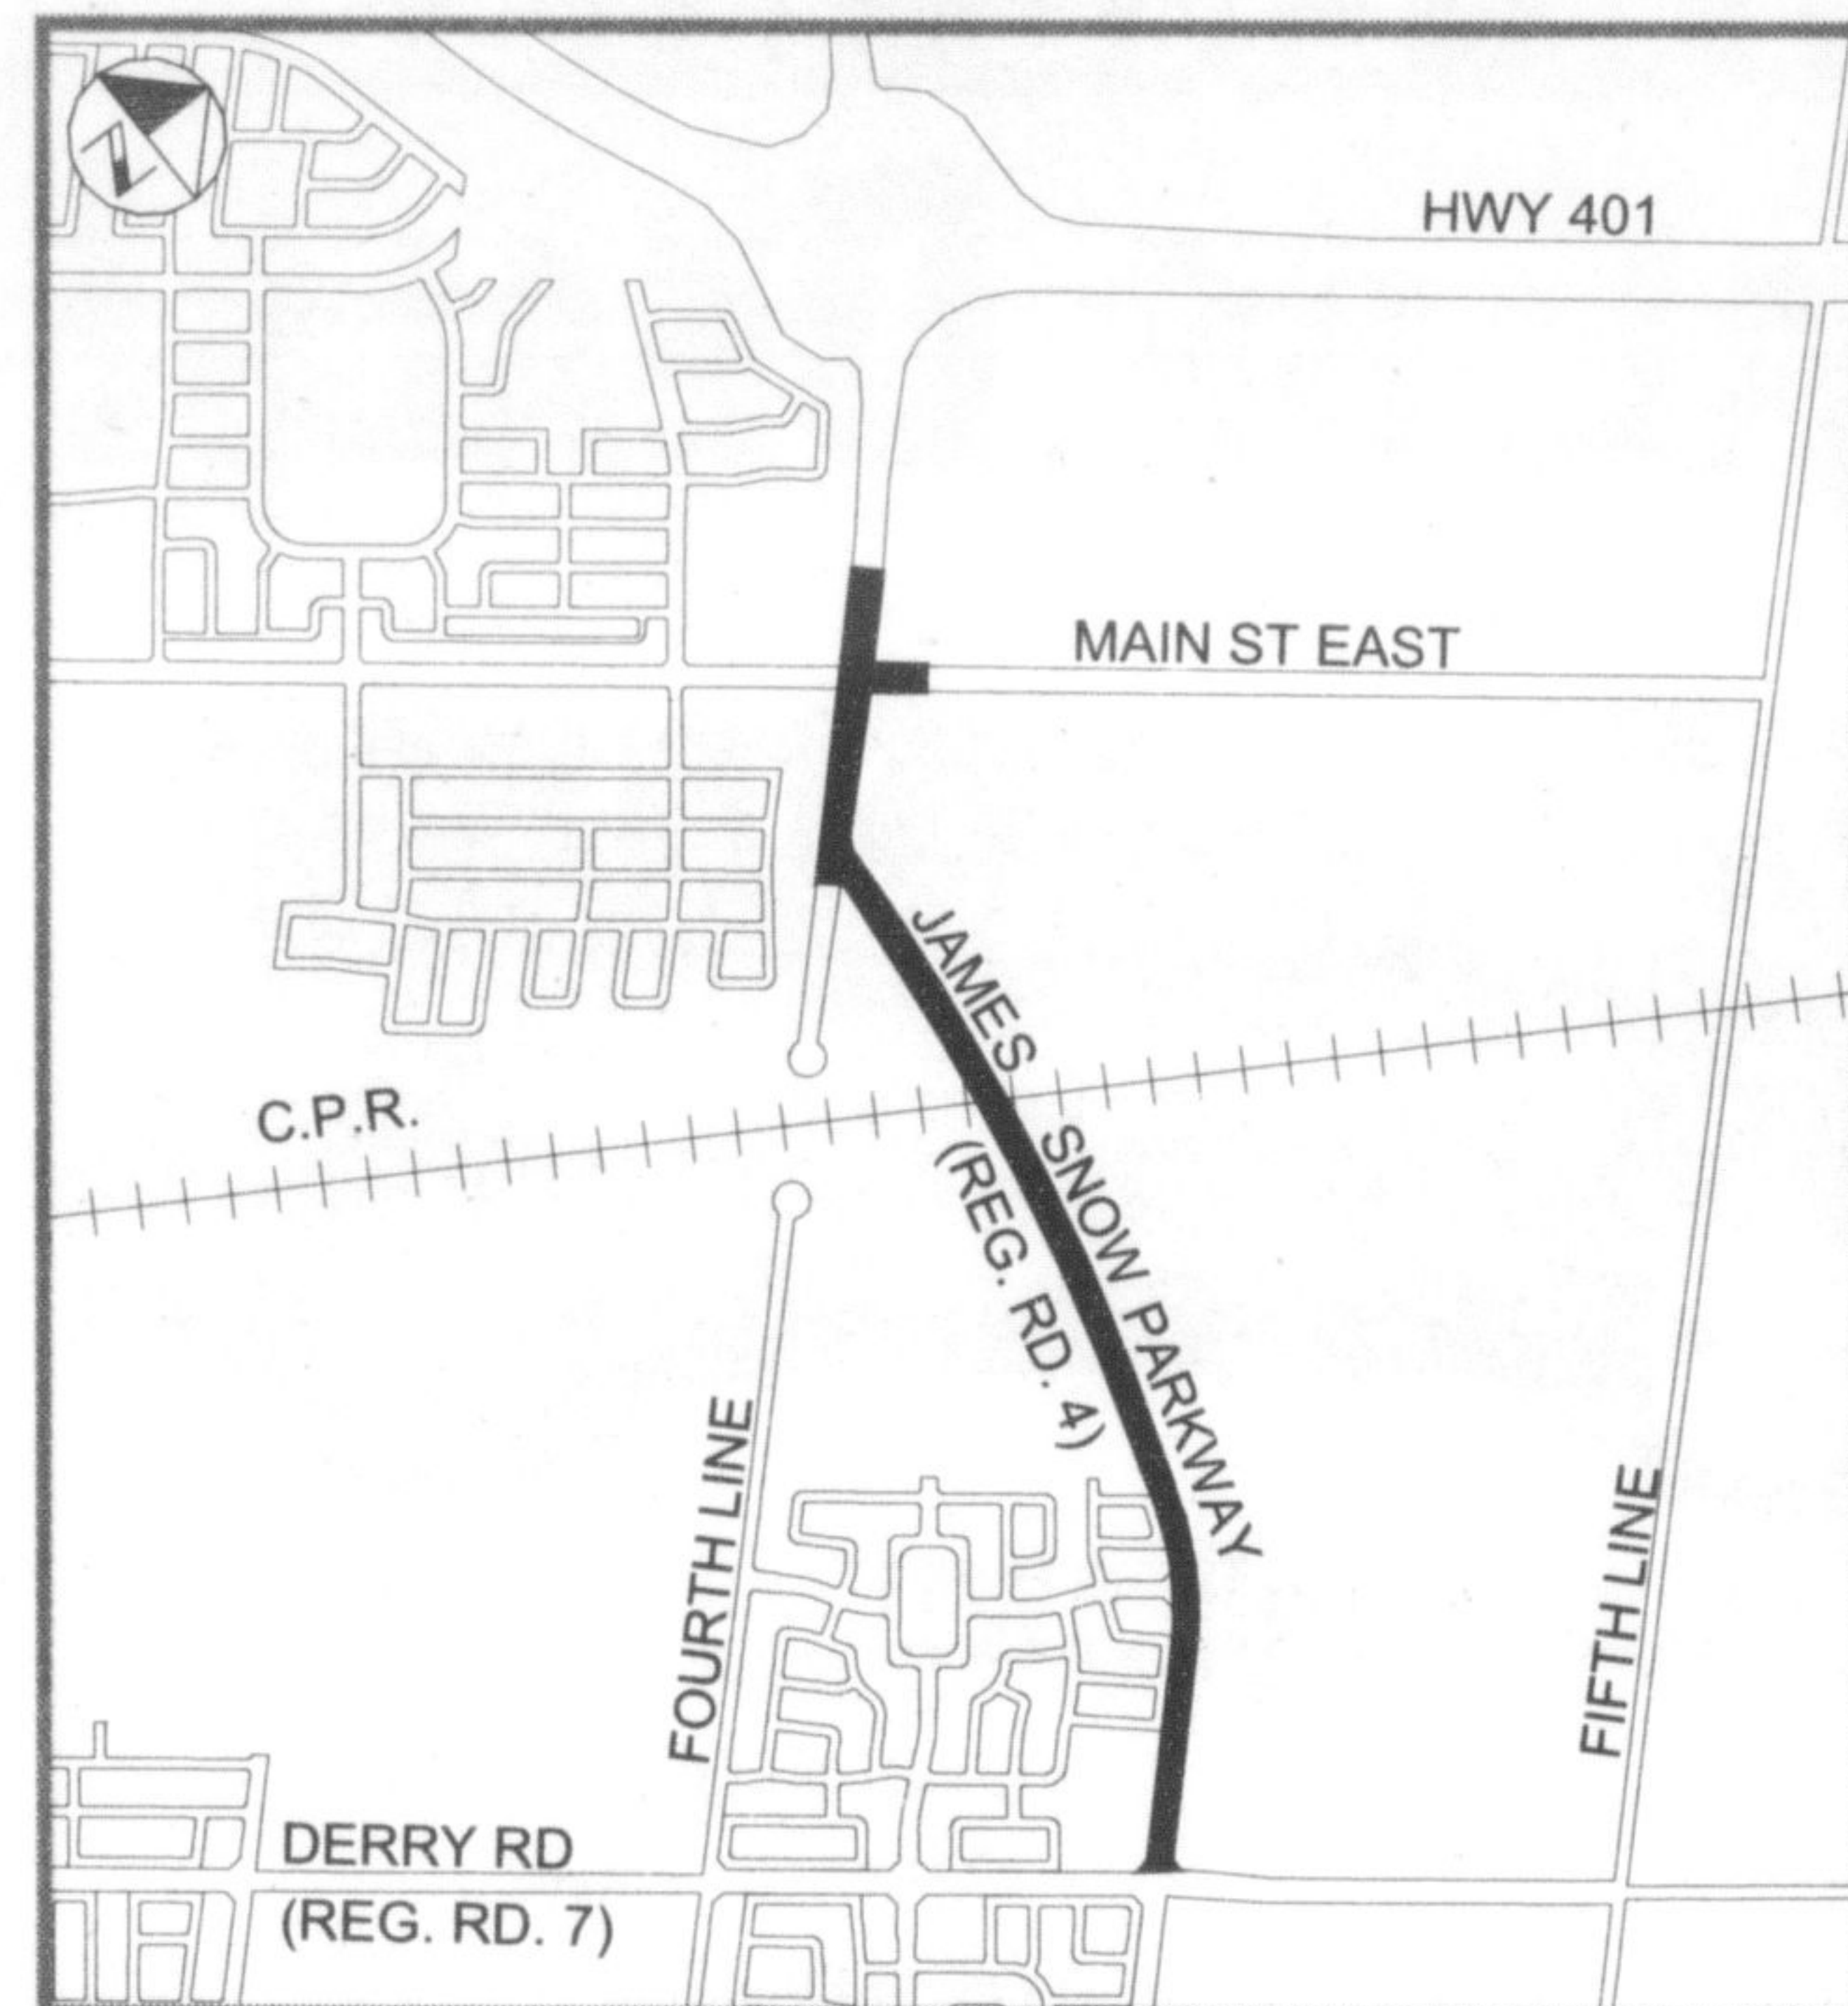

Start looking in your mailbox for your 2007 Halton Waste Management Calendar!

The Halton Waste Management Calendar has everything you need to know about waste collection in Halton Region. Information includes the Blue Box collection schedule, the Halton Waste Management Site, bulk collection dates and more. The calendar is also available online at www.halton.ca/waste.

Put the 3R's in your New Year's Resolution

Thanks to the efforts of Halton residents, we are currently diverting 42.6% of our residential waste away from our landfill. Halton Region is committed to increasing that to a 60% diversion rate.

If you're looking for a New Year's Resolution, consider these suggestions that incorporate the 3R's - reduce, reuse and recycle. Reduce - consider giving unwanted clothes and other items to a charitable reuse centre rather than throwing them out. Reuse - take your lunch to work or school in reusable containers. Recycle - put all bottles, jars and containers in your Blue Box.

For more information visit our website, www.halton.ca/waste. By adopting these New Year's resolutions you can help to extend the life of Halton's landfill which benefits all of us.

Halton Regional Meeting Schedule:

- January 22 9:30 a.m. - Budget Review
- January 24 9:30 a.m. - Regional Council
