**HAROLD (FERGIE) FERGUSON**  
In loving memory of a cherished Husband, Dad & Papa who passed away on January 23rd, 2001

May the winds of love blow softly,  
And whisper so you can hear.  
We will always love and miss you,  
And wish that you were here.  
For all that life has given us,  
And all that's left to do,  
We will know no greater treasure,  
Than the days we had with you.

Mary, Barry, Nigel, Sandra,  
Keegan & Rory  
'Rest in Peace, Beloved'

BEVERLY MANN

We think of you often  
We speak like you're not away  
We miss Aunt Bevie  
But Mommy and Daddy help us pray

One day we will play again  
But for now we are all just under 10  
We know you will guide us  
and be near us to pray  
You're our angel dear Bevie  
forever and today

Daddy says there is no butterfly more  
beautiful than you  
So fly my dear Bevie  
We love you too

God Bless you,  
Courtney, Christopher "B", Catie-Lyn,  
Mommy, Daddy and Max

**SERVICE MANAGER**

You have a minimum of three years' experience as a service manager or the equivalent. You will be responsible for the day-to-day progression of our service department along with 29 technicians and three forepersons. The keys to success are strong organizational skills, excellent interpersonal abilities, significant knowledge of the heavy truck and vehicle sales industry, and the ability to prioritize and manage multiple tasks effectively.

**PARTS SALES REP**

You will provide exceptional customer service and team support in our fast-paced and competitive environment. A solid relationship builder, you will call on customers, prospect potential clients, gather market information, and develop strategies to increase volume including participating in sales flyer development. You have demonstrated success in a sales and service capacity, technical knowledge of a wide array of industry related parts, and superior communication, interpersonal, and relationship-building skills. Committed to safety and quality, you have established reporting skills and proficiency with business related software.

**WARRANTY ADMINISTRATOR**

Committed to teamwork and customer service, you will provide expertise and support to all service departments in all areas of warranty issues including the filing of all warranty claims with appropriate manufacturer requirements. You have at least two years' industry experience, demonstrated success in managing warranty claims, and dynamic problem-solving skills. Your ability to interpret and analyze warranty details and general business reports is coupled with strong organizational, communication, and interpersonal skills.

**TRUCK SALES REP**

Utilizing established closing and customer service skills, you will optimally sell new and used vehicles across our entire product line, maintain knowledge of new products, features, and services, and provide follow-up and ongoing service to existing clients. Committed to professional development, you will also attend sales and training meetings. A dynamic communicator with a solid track record in a related sales and service field, you have a provincial sales licence, solid administrative skills, and knowledge of federal, provincial, and local laws governing retail truck sales. You also have a valid driver's licence with Z endorsement.

**PARTS COUNTER REP**

You will provide excellent customer service and ongoing support and expertise to co-workers while contributing to the achievement of overall goals and objectives. Team oriented, you will order all emergency parts, manage all aspects of parts, core, and/or warranty returns, and oversee the parts area and ensure cleanliness and safety. You will also conduct deliveries and pick-ups, issue parts, and record inventory variances. You have previous experience related to parts/inventory management and strong communication, interpersonal, and teamwork skills. Your commitment to safety and excellence is complemented by superior customer service skills, knowledge of related inventory computer systems, and a mechanical aptitude.

**SERVICE TECHNICIANS**

You will provide support to both customers and fellow colleagues by servicing requirements and communicating in a positive and helpful manner, perform quality repairs as per work order, maintain and encourage a safe work environment, adhere to all company policies and procedures, and perform any other duties as required. Your strong customer relations skills are supported by a pleasant work attitude and the ability to maintain a good attendance record.
