### New Deposit Return for LCBO Bottles

Starting February 5, wine and liquor bottles (glass and plastic) and Tetra Paks® purchased from the LCBO and other beverage alcohol retailers in Ontario, can be returned to The Beer Store. You will receive a 10¢ or 20¢ deposit per bottle, depending on the size of the bottle.

This new program is another way to increase the amount of bottles being recycled. By returning bottles to The Beer Store you free up space in your Blue Box which means you'll have more room to recycle other materials around your home. Thank you for your participation.

Currently about 68 per cent of wine and liquor bottles are diverted away from the landfill and are recycled through the Blue Box. The Ontario government expects that by the fifth year of the new deposit return program, an additional 80 million bottles will be recycled.

For more information about the program or for a list of your nearest The Beer Store locations, please visit [www.bagitback.ca](http://www.bagitback.ca).

**Please note:** Halton Region will still collect and recycle LCBO containers placed in the Blue Box after February 5.

## Bottle drive for family

A bottle drive for a family forced to leave their home after a devastating fire recently will take place tomorrow.

Residents with empty beer or wine bottles are encouraged to drop them off from 8 to 11 a.m. at either the Brookville Public School parking lot or the Wal-Mart parking lot.

Bottles will be sorted by volunteers and returned to The Beer Store.

All proceeds will go toward the Rowland Family, whose Steeles Avenue

farmhouse was ravaged by fire December 30.

Tim Hortons coffee and hot chocolate will be available for a donation of spare change.

A barbecue donated by Home Depot will also be raffled off at the Wal-Mart location.

Tickets will cost \$3 each or \$5 for two.

The winner will be contacted following the bottle drive.
