

# Your Invitation To Worship

## God is Bigger

The only survivor of a shipwreck was washed up on a small, uninhabited island. He prayed feverishly for God to rescue him, and

every day he scanned the horizon for help, but none seemed

forthcoming. He eventually managed to build a little hut out of driftwood to protect him from the elements, and to store his few possessions.

One day, after

scavenging for food, he arrived home to find his little hut in flames, the smoke rolling up to the sky. It was just more than he could take. He was stunned with grief and anger. "God, how could you do this to me!"

But the next day, he woke to the sound of a ship approaching the island to rescue him.

"How did you know I was here?" he asked in wonder.

"We saw your smoke signal!" they replied.

What he viewed as a burden became a blessing! What a great reminder of the goodness of God and how he can take the negative things that happen to us and turn them into positives that would benefit us and bless

Him!

We may not always understand our lot in life, but we can always trust that God is Bigger:

Bigger than the boogie man

Bigger than the terrorists

Bigger than all the evil this world can throw at us!

Discover for yourself the greatness of God! Visit a local church this week. Service times and locations are published in the Religious Directory below to help you!
